CITY COUNCIL APPROVES NEW WORK SET-UP

City council's salary and wage committee, appointed earlier this year, has come through with a series of proposals designed to "streamline" routine operations in the City Hall.

The recommendations, resulting from weeks of study, were approved by city council Monday night. They follow the formal dismissal and re-hiring of city hall employees to establish the new set-up last June.

The recommendations, approved by council, are:

1. That where employees now receiving salaries in excess of the maximum set by the salary TWO LICENCES schedule are appointed or reappointed to positions, they shall retain their present salaries, ex-2. That the following in-
