NIAN DISPUTE UNDECIDED Embers In Security Council May Burst Into Flame

AIN IS HEARD ON IRAN-Sir Alexander Cadogan, leader e British delegation, is shown as he insisted on consideraof the Russo-Iranian dispute at the session of the security eil. He spoke in opposition to the move of Russian delegate, ei Gromyko, who said that the Iranian question had no on the agenda. Left to right, are Gromyko, Cadogan, Ed-R. Stettinius, leader of the U.S. delegation, and U.S. Secy of State James F. Byrnes, who took the floor to state the position on the Iran problem.

D IN PERIOD OF FOUR MONTHS

NUERNBERG (CP)-The Russian prosecution today infuced documentary evidence indicating that 500,000 Soviet oners died in German custody in the last four months of and many thousands more were too broken physically

ALEXANDER IN CANADA

Special Train Arrangements Between Halifax and Ottawa ARRIVED TODAY

HALIFAX (P) - The liner Aquitania, with Canada's Govnor-General-Designate, Field Marshal Viscount Alexander, on board, steamed into Halifax harbor at 1 p.m. The big ship made the crossing from Southampton in five days. A storm which lashed the east coast of Canada delayed the docking of the Aquitania for several hours, the liner having been slowed down by heaving seas. Hundreds of dependents of Canadian servicemen were also aboard the Aquitania including 950 war brides.

VICTORIA @ - A bill increasing the members' sessional indemnity from \$2,000 to \$3,000 was introduced Tuesday by Provincial Secretary Pearson and given its first reading. The increase would be effective this session.

*General Trygve Lie - was disclosed soon after the council adjourned to an indefinite date.

Iran's attitude is shared by Britain and the United States for the Anglo-American council delegates had indicated they would oppose the Soviet request to close the case. Another touchy question which

arose at yesterday's council ses-

sion was also put off for further consideration. Poland sent word that it intended to propose that the United Nations consider the matter of breaking off diplomatic relations with Franco Spain. Otherwise, the council contended itself with new rules of procedure. The new rules are expected to speed up the body's
