Cardinal Third Baseman Signed
ST. LOUIS—Whitey Kurovski, third baseman of the St. Louis Cardinals, has signed his 1946 contract to end his long holdout. The contract was signed after a brief conference with President Sam Breadon. Neither would discuss terms but Kurovski said the contract was a compromise.

IMPROVED BRAKE ON 1946 FORD

Improved passenger car brakes are one of the many features of the new 1946 Ford cars, according to Stan Parker of S. E. Parker Ltd. "Our engineers and technical men of the Ford Engineering Laboratory have gone after three big things in car brakes," Mr. Parker explained. "First, brakes that stop you quickly with just a light touch of the pedal; second, longer life in the brakes themselves and in the lining; and third, silent operation." Ford brakes on 1946 cars are self-centering, with slotted shoes. This means that the brake pressure applies evenly over the entire brake drum surface, giving a smoother, quicker stop, and helping to prevent excessive wear of the lining.

By designing the brakes so that no local points of pressure can develop, any tendency to squeal has been virtually eliminated.

And servicing of brakes has been made easier, Mr. Parker continued. The eccentric anchor pins have been replaced by fixed pins that greatly simplify the task of replacing brake linings. The fluid reservoir unit in the master unit is easy to reach for adjustment or servicing.

A valuable safety device used on previous Ford model brakes has been retained; all sections of brake tubing which are exposed to flying stones or other destructive forces are sheathed in a protective covering of coiled springs.

SHORT SPORT

The Montreal Canadiens are only one game away from the Stanley Cup and a new National Hockey League record after whipping the Bruins 4-2 at Boston Thursday night for their third straight victory in the final series and their seventh since the playoffs began. If the Flying Frenchmen can win the next game on Sunday, they will be the first team to win the cup in eight straight games.

The Detroit Tigers are going to give Benny McCoy a week's tryout. McCoy was owned by the Tigers some years ago but was made a free agent by Commissioner Landis in 1940. The Philadelphia Athletics paid him \$45,000 to sign a contract. After the 1941 season, McCoy went into the service. Discharged in January he failed to make the grade with the A's this spring and was given his unconditional release.

The Buffalo Bisons rumbled to an 8-2 victory over the Cleve-

land Barons Thursday night to even their American Hockey League play-off series at one game apiece. The two teams were tied at one-all shortly after the second period opened and then the Bisons broke loose for six straight goals to sew up the battle.

WHAT'S DOING AT PRINCE RUPERT RECREATION COUNCIL GYMS
BY JIM NAST

BADMINTON—This Sunday afternoon there will be badminton at the Civic Centre gym from 2 p.m. to 5 p.m. The session, open to members over the age of 16, will be experimental. If sufficient interest is shown and enough people turn out, badminton will be continued for the balance of the spring season.

In order to play at these Sunday afternoon sessions it will be necessary for the player to become a member of the Civic Centre. A 25c charge will be made, per player, per session, to defray the cost of shuttlecocks which will be supplied at the "Centre."

These sessions, if carried on, should not only provide an opportunity for previous badminton players to get together again with the idea of forming a badminton club next fall but should also give the beginner an opportunity to break into the game the easy way.
