### DONATIONS FOR NEW HOSPITAL

Donation of \$100 is Made for Comfort of Native Patients at Miller Bay

The Women's Circle of Hartley Bay, of which Mrs. Charles Robinson is president, has forwarded a donation of \$100 to be held for use in connection with provision of entertainment and special comforts for patients in the new Miller Bay Hospital which is to be opened shortly for the treatment of native patients in this area. Announcement of the donation is made by Dr. J. Douglas Galbraith, medical superintendent of the hospital. This group of native women at Hartley Bay, apparently, raises a considerable sum of money each year part of which is set aside for sick and needy folk including those who have to go to hospital.
