STEWART BOY RISES FROM SICK BED TO KILL 500-POUND BEAR IN YARD

STEWART—A marauding black bear got his quietus when he attempted to raid the chicken house of Lou Behnsen on Tenth Street. Bobby Behnsen was in bed with a bad cold when his mother shouted out to him to get the gun as a bear was trying to get into the chicken house. Bobby got into his bathrobe and came downstairs with the gun and, although shaking with his cold and excitement, he managed to dispatch Bruin. The bear weighed about five hundred pounds, it is estimated.

A picture was taken of the bear and the young hero. Bobby is only 14 years old and is rather proud of his exploit.
