INAUGURATED KINSMEN AT PRINCE GEORGE

After presiding over the charter presentation meeting of the latest new Kinsmen's Club at Prince George, R. E. Montador, president of the local club, returned to the city on last night's train. The proceeding took place at the popular Six-Mile Lake resort near Prince George and were enthusiastic and successful. There were also visiting Kinsmen from Revelstoke. Gordon Nicol is president of the Prince George Kinsmen's Club which has a charter membership of nineteen.

MINES RE-OPENED

STAWELL, Australia (AP)—Australian gold mining revival includes re-opening of three valuable producers at this Victoria town. These are the Magdala, Sloane's and Scotchman's Creek mines, which produced a total of 600,000 ounces of gold and paid $4,064,000 in dividends before the last mine closed down in 1921.

EXHIBIT OF B.C. PRODUCTS AT TERRACE

A committee was appointed by the Terrace and District Board of Trade Tuesday night to make all arrangements for the B.C. Products Exhibition which will be held during the coming summer. The caravan will come bringing displays of a large variety of B.C. products, these to be displayed in individual booths. Part of the entertainment will be a two-hour variety show which will include a quiz program and money prizes for juvenile contestants. The committee expect to use the new civic centre for this purpose and it is expected that 10 or 12 carloads of Vancouver business people will join the caravan and good will tour.

Report on Alaska Trip

Past president Harry King and President Kenneth Kerr of the Farmers' Institute gave very interesting reports of their trips to Alaska and stressed the desire of the Alaskans to use Terrace and other B.C. products.

It was decided that the quarterly meeting of the Board of Trade to be held in April 1947 will take the form of a welcoming meeting for the many new residents who have come into the district during the past year. The annual meeting of the Board of Trade will be held on Wednesday, January 15.
