NEW TEXTILE PRESERVATIVE

ROCHELLE, N.J. — A new washable fibre made from nylon which will resist musing, moths, fungi, mildew and alkali should reach the market next year, a textile specialist told the American Association of Textile Chemists and Colorists here recently. Specialist Dr. L. L. Larson said the new fibre should have a "fundamental influence" on the textile industry. Now produced experimentally, the fibre combines dimensional stability with durability, and is both light and warm.

SUGAR AND BUTTER PROBLEM—Just about now mother watching the family savings of ration coupons dwindle before her eyes as she puts every extra bit of butter and sugar she can lay her hands on into the special goodies which go to brighten that Christmas season just around the corner.

Plum puddings, mince meat, and Christmas cake, probably already are underway as they must be given at least a month to "ripen." Good housekeepers claim ripening brings out the rich flavor of the spices, raisins, pecan nuts, brown sugar, and molasses.

Some of those precious cake ingredients may be still in short supply this year, but for the most part many that haven't been seen since early in the war will re-appear. For instance a few choice walnuts from Manchuria will show on grocery shelves for the first time since 1939.

This year such Christmas baking "musts" as spices, peel, dates, and so on have been removed from under the price ceiling, in accordance with the Prices Board policy of gradual decontrol where goods are in fair or plentiful supply.

SHORTBREAD — Lucky this season is the mother with a family of non-butter-eaters. It means so much more of that rationed ingredient may be put to holiday use—such as into the making of that favorite festive shortbread.

Short bread Ingredients: 1/2 pound butter; 1/2 cup icing sugar; 1/2 teaspoon vanilla; 2 1/2 cups pastry flour.
 Roll out thin and cut with small cutter. The recipe makes approximately six dozen cookies.

PLENTY OF CRANBERRIES—Whether your holiday menu announces turkey or chicken this year, nevertheless with cranberries in such plentiful supply there still will be plenty of sauce on the side.
 For a new cranberry sauce recipe try: four cups cranberries (one pound); two cups water; two cups sugar. Boil sugar and water five minutes and then add berries which first have been washed and examined. Boil five minutes without stirring and then boil five minutes longer, stirring slightly.

CARROT PUDDING—On the dessert side here is a well-tried recipe for Carrot Pudding guaranteed to top off your Christmas dinner on a high note.
 Carrot Pudding: 1 1/2 cups flour; 2 cups grated carrots; 1 cup currants; 1 cup suet; 1 cup potatoes; 1 teaspoon soda; 1/2 cup milk.
 Carrots, potatoes and suet should be well ground. The pudding must be allowed to steam two or three hours.

MRS. R. B. MORGAN PASSES AWAY

Mrs. Martha Morgan, wife of Reuben B. Morgan, 879 Summit Avenue, passed away in Prince Rupert General Hospital last night. She was 50 years old and had been a resident of Prince Rupert for the last 22 years.

Surviving are her husband, who is a fisherman, and one son, George, both in Prince Rupert. City police Sergeant L. A. N. Potterton provided the entertainment feature at today's Rotary Club luncheon meeting. Sgt. Potterton showed colored films of the Kootenays and Burns Lake country.
