ALEX McLEOD PASSES AWAY

Day Dock Worker for Quarter of Century Dies Thursday Evening

Alex McLeod, who had been identified with the local dry dock for the past twenty-five years as a joiner, died last night at his home, 701 Eighth Avenue East. He had many friends here and his passing will be generally regretted.

Mr. McLeod was born in Stornoway, Scotland, sixty-three years ago and came to Prince Rupert from Montreal.

Surviving are the widow; two daughters, Mrs. John McLeod of this city and Mrs. Sam Waddell of Stillwaters. There are two sisters, Mrs. Mary Anderson and Mrs. Jean Silver, both of Port Alberni. There is a half-brother in Chicago, Hector McKenzie. Funeral arrangements are in the hands of B. C. Undertakers.

Alaska Governor Is To Be Represented

Governor Gruening of Alaska has sent word that he will be represented here September 2 at the unveiling of the memorial cairn and dedication of Roosevelt Park here September 2. Governors of New Jersey, North Dakota, New York, Nebraska, Iowa, Mississippi, Connecticut, Missouri, Montana and Tennessee have expressed regrets at inability to attend but extend good wishes.

"FASHION'S" NEW STORE IS OPENED

Expressing their faith in Prince Rupert's future, two young local businessmen — A. Dominato and Dan McDonald — today opened the doors of Fashion Footwear's new premises in the Stone Block. The newly expanded business is the product of the hard work and imaginative effort of its two owners. Interior decoration and fixtures, designed and constructed by the two young men, provide attractive display for large stock. The fixtures are finished in pale blue enamel with chromium finish and the soft pink upper walls are hung with mirrors. Both Mr. McDonald and Mr. Dominato are well known local business men. Mr. Dominato is active in civic affairs as a member of the Gyro Club, while Mr. McDonald is a Kinsman. Both are members of the Junior Chamber of Commerce.

20 YEARS AGO

August 15, 1926

The American schooner Eureka which was badly damaged by fire in Prince Rupert dry dock, was taken onto the pontoons at the dry dock for repairs. The interior of the vessel was badly burned.

An amalgamation of mining claims representing one of the largest deals in the history of the Smithers district was completed by Henry L. Messner, representing New York interests. The merger included a number of claims in the Babine mountains.

The Japanese seineboat Suchona III, which went aground on Hammer Rocks, was towed to port for repairs. Her hull stove in, the vessel had settled until her decks were awash.

Mrs. E. J. Garlick of Edmonton arrived in Terrace on Tuesday to holiday there as the guest of Mrs. Garlick's brother and sister-in-law, Mr. and Mrs. William Robinson.

ERECTS STREET SIGNS IN CITY

Latest Accomplishment of Publicity Group is Reported

A report on the erection of tourist guide signs throughout the city was made at a brief meeting of the Public Relations Council last night by Mark Hill, chairman of the committee in charge of their erection. Signs indicating the mileage to Port Edward and Terrace have blossomed along McBride Street and Seventh Avenue, while other signs indicate places of interest to tourists.

Secretary E. T. Applewhite reported on the convention of Associated Boards of Trade of Northern B.C. at Terrace, to

which he had been appointed delegate by the Public Relations Council.

Methods of receiving greater publicity from the coast-to-coast, medal-winning automobile trip of C.P.O. and Mrs. Leslie A. C. Paige were discussed, resulting in a suggestion that the Dodge Motor Co., makers of the Paige's car, Imperial Oil Ltd., whose brand of gasoline was used, might be used in advertising their products, thus affording publicity to Prince Rupert.

BAPTIST HEAD MAY BE WOMAN

TORONTO (C)—For the first time in history there may be a woman in the chair when the Baptist convention of Ontario and Quebec reconvenes next year. She is Mrs. J. Edgar Bates of Toronto, who was elected vice-president at this year's convention and stands in line of succession to Thomas Cameford of Dunnville, Ont., this year's president. Mrs. Bates is the daughter of Rev. Dr. H. E. Stillwell, and her husband, Dr. J. Edgar Bates, is also an enthusiastic Baptist worker.

A precedent for Mrs. Bates' elevation was set this year when Mrs. Leslie Swain of Rhode Island presided over the Northern Baptist convention of the United States and steered it successfully through a series of controversial debates.

BANKING IN ACTION

RETAILERS make constant use of banking services. In some cases these are simple but essential; the bank takes cash receipts on deposit, makes change, operates current accounts, and accepts and records used ration coupons. Other retail accounts involve considerable handling of drafts, and—a very important service—the making of loans to enable retailers to take advantage of trade discounts. All this entails Banking in Action.

The Canadian Bank of Commerce has among its customers many retail houses, from the small corner store to the large chain and department store. Strict attention to their particular needs is given to all the Bank's customers.

Use our services for your banking requirements, whatever they may be. Consult our local Manager.

NO OTHER TIRES ARE BUILT LIKE THE

NEW SILVERTOWNS

They're new and different tires—built from a new kind of rubber that runs cooler, wears better. New cord construction employs more and stronger cords—making bodies 35% stronger.

THEY OUTWEAR PRE-WAR TIRES

The new longer mileage Silvertowns are made in different tread designs . . . including the famous Life-Saver Tread that wipes wet pavements dry . . . and the Road-Level Tread that puts a wider, flatter rubber surface on the road to share the burden. Choose either of these great new Silvertowns for your car. Both will outwear the best of pre-war tires. They're the greatest mileage tires of all time . . . built by B. F. Goodrich, makers of over 32,000 articles of rubber, including footwear and industrial rubber products.
