## JAP INFAMY IS DEPICTED

"Blood On the Sun," with James Cagney and Sylvia Sydney, at Capitol Theatre

An exciting story of intrigue in Japan in pre-war days with an adventurous newspaper editor and a beautiful secret agent as the leading figures, a thrilling picture, "Blood On the Sun," unmasking Japanese infamy in its baldest form, comes as the feature offering to the screen of the Capitol Theatre here on Monday, Tuesday and Wednesday next.

The tale revolves around incidents occurring after Cagney publishes in his newspaper a story of deep Japanese war plans which incurs the displeasure of those in high Nipponese places. Events become the more interesting when Sylvia Sydney, as an exotic Eurasian girl who is secretly working to free Chinese people from the grip of Japanese tyranny, enters into the picture.

Other prominent members of the cast are Wallace Ford, Rosemary De Camp, Robert Armstrong, John Emery, Leonard Strong, Frank Puglia and John Halleran.
