## Interests of Interior Community

(Continued from Page 1)

Terrace, tying in either with a opening of the Prince Rupert proposed quarterly meeting in this district of the Northwest Highway, the membership of the Board had mounted from ten to 45. Among the many matters in which the Board had been active were:

Arrangement of a V-E Day celebration.

Banquet to Hon. E. T. Kenney on his becoming minister of lands.

Agitation for adequate maintenance of the Prince Rupert Highway and provision of necessary road equipment.

Pressing for the establishment of local hospital facilities and the use of the military hospital. Successful advocacy of the entry of the British Columbia Electricity Commission into Terrace as a result of which a full service was now being given the village and a start made on a general rural electrification project.

Taking of steps towards having a branch of one of the banks reopened in Terrace.

Urging the stepping up of the power of the Prince Rupert radio station and the establishment of a booster station at Terrace.

Holding of a highly successful "Welcome Home" banquet for returning war service personnel.

Approving of a charter for an airways line from Prince George through the interior to Stewart.

Renaming of the hot springs at Lakelse Lake as "Terrace Hot Springs."

Protest at the cutting down of train service and urging the Canadian National Railways to develop business on this line.

Admission of ladies to membership in the Board.

Improvement of the Lakelse and Kitsumkalum Lake roads.

**Will Robinson, chairman of the industrial committee, reported on how tests had been made of commercial clay deposits on the Lakelse airport road which had resulted in James Bremner of Prince Rupert becoming interested in the possibilities of exploitation of a limestone deposit a mile and a half west of Remo in which the industrial department**

**IN THE SUPREME COURT OF BRITISH COLUMBIA

### THIS AND THAT

"Which one of you is staying at the Hotel Southern?"

ment of the Canadian National Railways was already interesting itself, and just recently the suggestion of Peter Lakie, C.N.R. divisional freight and passenger agent, that a holiday resort for Prince Rupert people might be opened up alongside Spring Creek just north of Terrace where a golf course might be established, where there was good fishing and a suitable site for winter sports.

George McAdams felt that an outstanding accomplishment of the past year for which great credit was due the enterprise of the Board of Trade and Board of Village Commissioners was the entry of the British Columbia Power Commission into Terrace. He was convinced that an active citizenry could do much towards the advancing of the community and promotion of its prosperity. He felt that the railway company might set an example in the maintaining of employment. As for co-operation between Terrace and Prince Rupert, Mr. McAdams suggested that the interior get behind Prince Rupert's fight for better marine insurance rates.

At the suggestion of the Prince Rupert delegation, a resolution was passed urging the provincial minister of public works to take steps to expedite a permanent policy of maintenance of the Prince Rupert Highway commencing with the settlement of the matter of use of C.N.R. right-of-way. With the decision to form a joint Terrace-Prince Rupert highway committee came the appointment of Will Robinson, C.W. Michiel and George McAdams as Terrace members of the committee to which a similar number of members will be named by the Prince Rupert Chamber of Commerce. After Dudley Little had stated that heavy snow conditions now existing in the Terrace district threatened the sawmilling and timbering industry with the possibility of having to close down owing to the difficulty of delivering logs from the woods, throwing 50 to 100 men out of work, the highway committee was asked to take immediate steps towards having necessary snow plowing equipment delivered to the area.

The feminine element at the meeting went into action when Mrs. Dudley Little proposed that one of the means by which the community might get out of the rut would be the setting up of a recreational and physical education organization for both youth and adults. Mrs. C. J. Norrington backed up the idea, mentioning the great work that was being done in Prince Rupert along these lines after a humble beginning. The possibility of acquiring the large recreation hall which had been left by the Army at Terrace was suggested as well as sources of financing such as provincial government and Red Cross. In general discussion Cpl. T. D. Brunton, Constable W. H. Richmon, V. Imhoff, G. C. Sessions, G. M. McInnis and Dudley Little participated. The outcome was the passing of a resolution calling a community meeting to which the Minister of Education at Victoria would be asked to send Jerry Matheson, provincial director of recreation and physical education. Col. J. T. Harvey offered the assistance of the Associated Boards of Trade of Central British Columbia.

One of the final items of business at the meeting was the increasing of annual dues of the Board to \$5 per year with \$2.50 as the dues for women members.

First winners of the Macdonald's Brier Tankard, representing the Canadian single rink curling championship, are shown above. The rink was a composite quartet from Halifax, Nova Scotia, skipped by Prof. Murray Macneill. Playing in Toronto in 1927 the Haligonians were successful in besting the country's top rinks for the only Brier win ever scored by a Maritime entry. From left to right the players are, J. E. Donaive, C. L. Torey, J. A. MacInnes and Prof. Murray Macneill (skip). Following cancellation in 1942 because of the war, play in the Brier is being resumed March 4-7, 1946, in Saskatoon.

### KINCOLITH SONS ELECT OFFICERS

KINCOLITH—At recent elections the following were named officers of the Sons of Kincolith:
