CANADA'S SHARE REPARATIONS

This Dominion Will Get From Germany Suggested
OTTAWA (CP)—Canada's share of the division of German reparations includes three ships and German extrajurisdictional assets probably also will involve small industrial equipment.
The inter-Allied reparations commission is making allocation of reparations from western zones to 18 Allied countries, other than Russia and Poland, which shared in the European victory.

MAN PEACE DEFERRED

Four Decide to Consider it at Special Meeting in Fall
PARIS (CP)—The Big Four foreign ministers' conference, having gone as far as they can on an agreement on the disposition of Germany, decided to defer the consideration of a treaty with the nation until fall after the adjournment of the general assembly of the United Nations organization when a special meeting will be held.
France's attitude in regard to the Ruhr Basin is now the stumbling block, Russia, Germany and the United States being in the majority in opposition to the agreement.

PROVINCE IS OPENING

OTTAWA (CP)—O. Leigh publisher of the Vancouver Daily Province, announced that the paper would resume publication within a few days in a fully unionized shop of employees, not members of the International Typographical Union. He said that negotiations with the I.T.U., whose local has been on strike since June 5, had broken off.
The new Province mechanical plant is to be manned, it is said, by members of the local union National Printers Union.
The Province was preparing to open as an open shop.

FRED ROSE IS TREATED SAME

Labor-Progressive M.P., in Prison for Espionage, Wants To Go to Pen
OTTAWA—The treatment of Fred Rose, Labor-Progressive M.P. for Montreal-Cartier, sentenced to six years' imprisonment for espionage, is the same as that accorded any other prisoner in the Montreal jail, Hon. Louis St. Laurent, minister of justice, says. Rose complained that he had been kept in solitary confinement and asked to be moved to penitentiary.

UNION CALLS STEEL STRIKE

HAMILTON (CP)—United Steel Workers of America (CIO) have called a general strike in the Canadian basic steel industry to start on or before July 16. C. H. Miller, union head, said the strike was called because no satisfactory answer had been received to union demand for minimum wage of \$33.60 for 40-hour week. The Hamilton, Sault Ste. Marie and Sydney plants are involved.

BRITISH TROOPS ARE WITHDRAWN

JERUSALEM—All British troops have been withdrawn from Jewish settlements in Palestine though it is announced that the British are ready to take rigorous action if it should again become necessary to do so.

Bulletins

REGRETS CONTROLLER HAMILTON—H. G. Hilton, president of the Steel Company of Canada, Ltd., said it was to be "regretted" that the Dominion government "considered it necessary" to appoint a controller for the company's Hamilton works and promised co-operation with the government to assure a continuation of steel and coke production.

RUSSIA AND ATOMICS
NEW YORK—Russia has demanded that problems concerning international control of atomic energy be left up to the United Nations Security Council rather than to a separate United Nations authority for world atomic control.

MOLOTOV OBSTRUCTIVE
PARIS—Foreign Commissar Molotov of Russia, at the Big Four conference today, refused to discuss the question of Austria unless some agreement was reached regarding the disposition of half a million "pro-Nazis" in western Austria. Molotov asked also for time to study the Saar question.

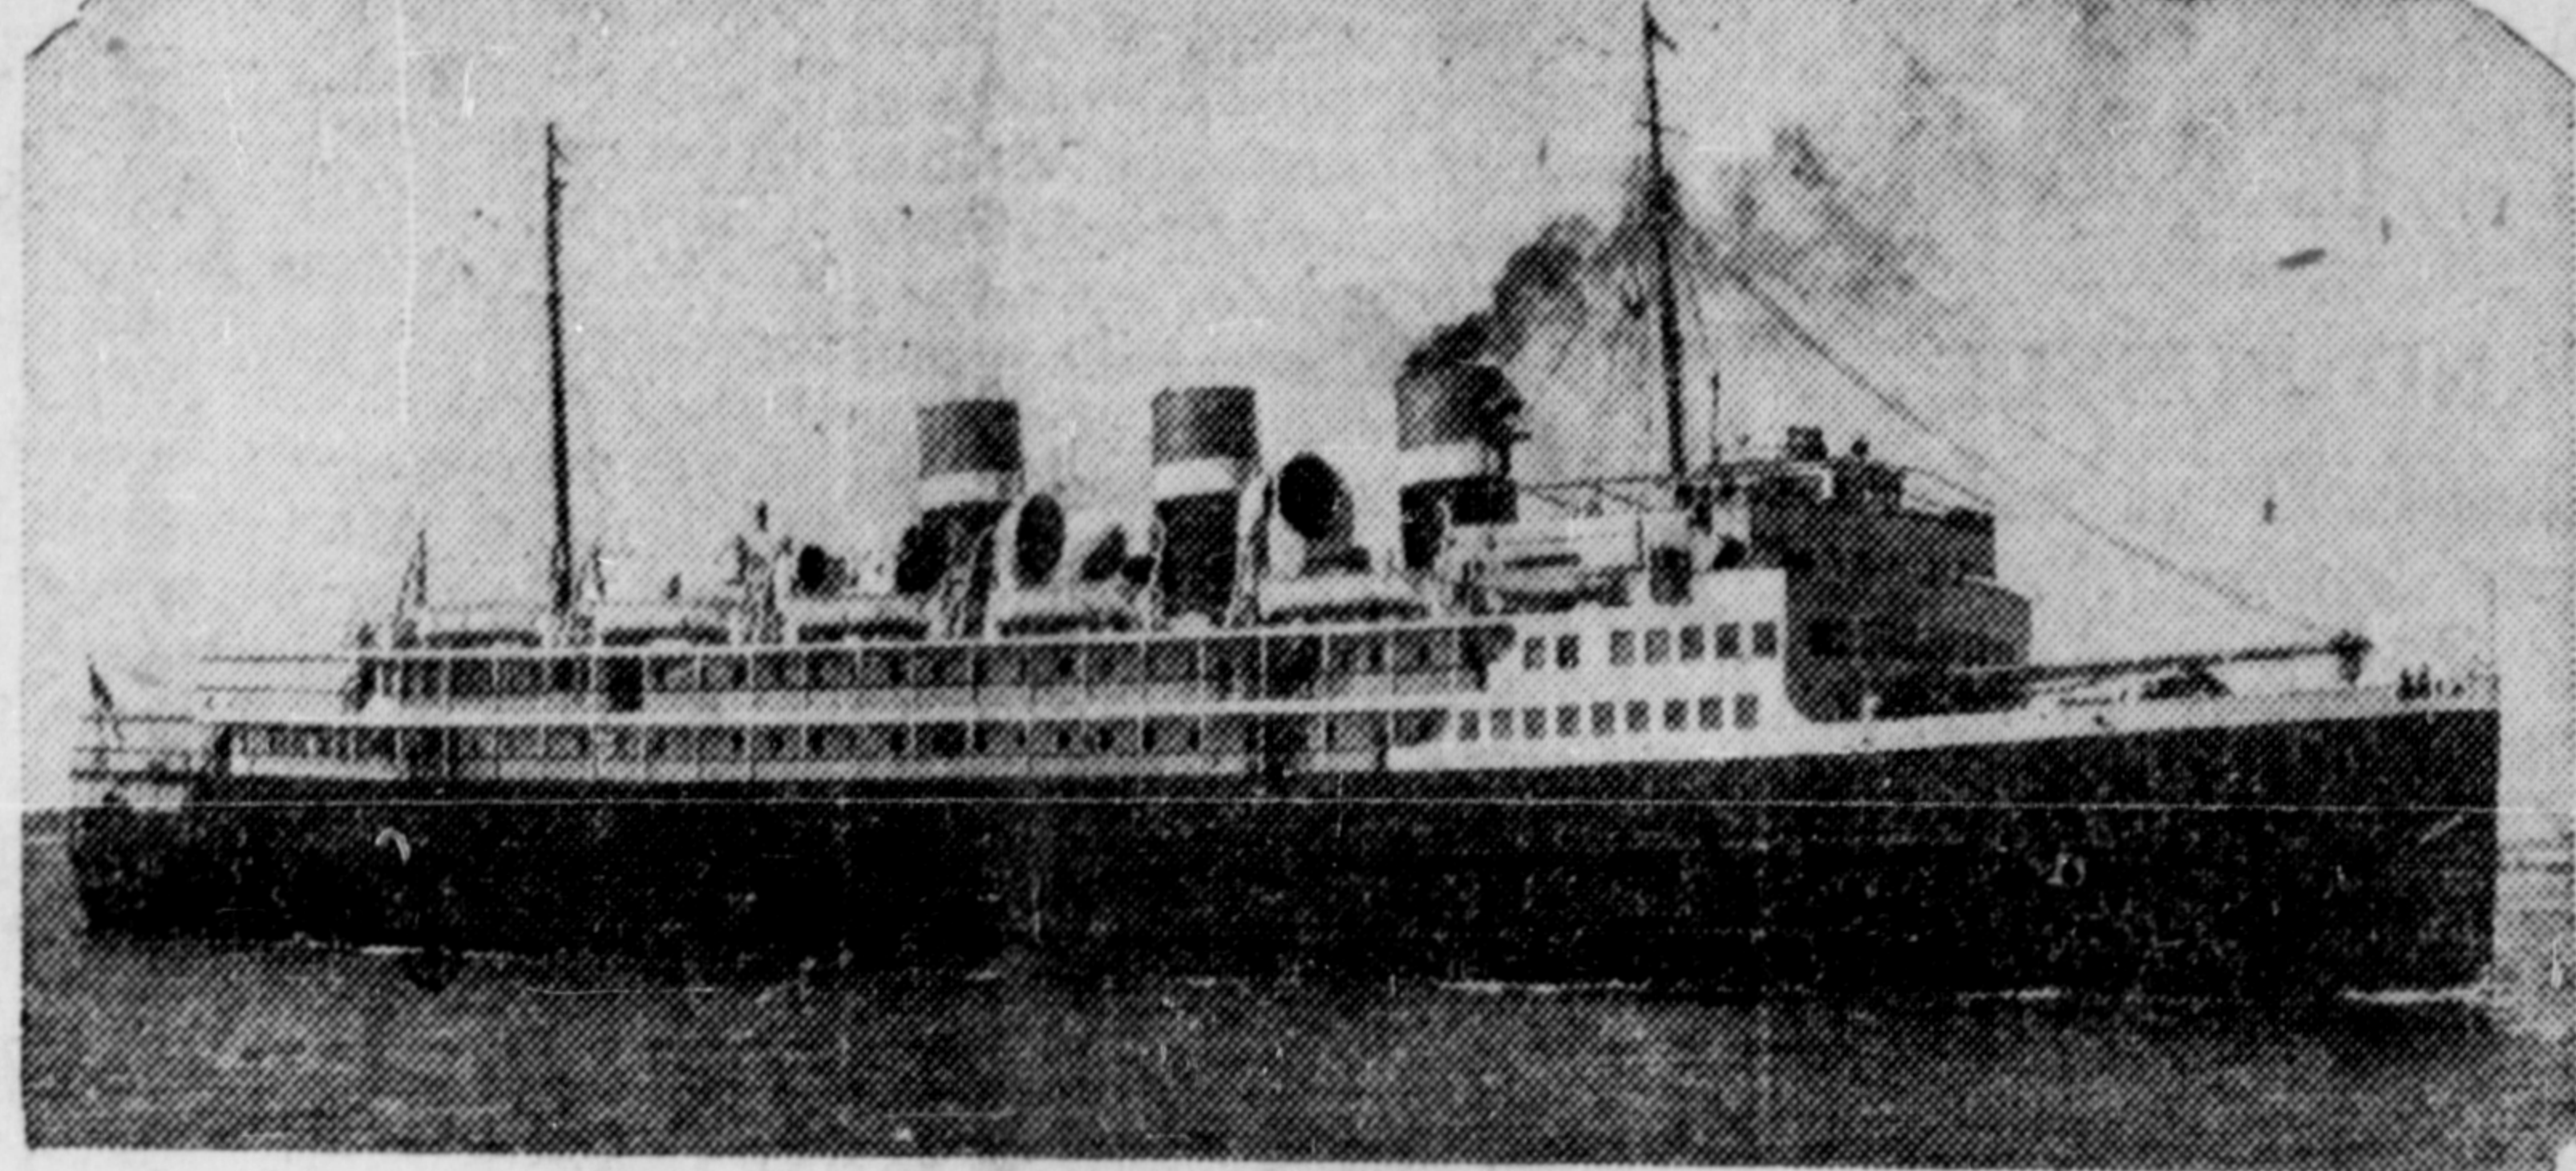

CATHOLIC PARADE
VICTORIA—The Victoria city council has called a conference of all non-Catholic ministers of the city on whether or not the Roman Catholic Church should be allowed to hold a Holy Sacrament procession on the city streets. The Canadian Protestant Legion is protesting.

TO OPEN GAMES
VANCOUVER—The Governor General, Viscount Alexander, will open the Caledonian Games here tomorrow.

HUGHES IS WORSE
LOS ANGELES—Howard Hughes, millionaire maker of planes, has taken a turn for the worse but, despite this, dramatically disclosed to a doctor that propeller trouble caused the crash of the experimental plane in which he was injured. The propeller seemed to go into reverse when accelerated.

When Hotel Guests Are Poisoned

SOLD FOR \$500,000

STEAMER PRINCE HENRY

OTTAWA (CP)—The Prince Henry, one of Canada's ships which participated in the D-Day landings in Normandy, has been sold to the British Ministry of Transport by the War Assets Corporation. The former Canadian National Railway's luxury liner was sold as she lies at Falmouth, England, for \$500,000 in Canadian funds. She had been stripped of her armament. (The picture shows the Prince Henry as she was best known here some fifteen years ago when she operated through this port in the Alaska tourist service).

Tainted Cream Puffs Caused Guests Illness

ATLANTIC CITY (CP)—Mass food poisoning created a near panic in Kaufman's Hotel here. Guests collapsed in lobby, hallways and bedrooms of the five-story hotel and thirteen persons were taken to hospital. At least one hundred others were treated at the scene. None are reported in a serious condition.

VANCOUVER PROPAGANDA HITS HIGHWAY

Prince Rupert needs a counter-propaganda agency to offset the flood of adverse talk which is floating about in the Vancouver area, according to Provincial Red Cross Commissioner Col. C. A. Scott who was a visitor in the city Thursday.
He told the Rotary Club that "luke-warm" friends of Prince Rupert had advised him against driving here from the southern town with the repeated admonition that, because of road conditions between here and Prince George, he would "never make it."
"We really had a fine trip," he said. "Your road is better than many I have driven over in northern Ontario. You should have one of your travel agencies take steps to change the attitude of automobile clubs in the south."

DEADLINE IN STRIKE SET

Walk-Out For Wooden Boat Yards Is Scheduled For July 18
VANCOUVER (CP)—William White, president of the Marine Workers' and Boilermakers' Industrial Union, announced that July 18 had been set as the strike deadline for wooden boat yards in the Vancouver and New Westminster areas. He said that about 1200 employees will strike on that date if the operators do not make a satisfactory settlement before that time.

FOOD IS GOING TO CHINA STILL

NEW YORK—Fiorella LaGuardia, director general of United Nations Relief and Rehabilitation Administration, made it clear that shipments of UNRRA foodstuffs to China had not been discontinued although shipments of industrial and agricultural equipment had been suspended owing to unsatisfactory deliveries by the Chinese themselves.

NINE ARE CONDEMNED

Jew Killers in Poland to Die—Terrorism Still Continues
KIELCE, Poland (CP)—A military court has sentenced to death nine of 12 defendants charged with setting off the bloody July 4 pogrom in which 41 Jews were killed. Three others were sentenced to prison.
Meantime, 22 Jews, attempting to flee a new wave of persecution in Poland, are reported to have been killed on highways and railway trains between Lodz and Wroclaw (Breslau). They were participating in the mass flights which followed the Kielce pogrom.

THE WEATHER

Synopsis
Skies over British Columbia have been generally cloudy for the past 24 hours with showers general over most of the province and some thunderstorms in the interior. In the Rocky Mountain area thunderstorms were general from British Columbia to Mexico. Temperatures were generally lower last night with drops of as much as 13 degrees in the northern interior over those of Thursday morning. Rising pressures over the southern coastal area will result in clearing skies over those districts today and Saturday but over the mountains of the interior widely scattered showers with isolated thunderstorms are expected to continue till this evening.

Forecast
Prince Rupert, Queen Charlottes and North Coast—Variable cloudiness this morning and afternoon, clearing this evening. Cloudy Saturday morning, clearing in afternoon. Light winds. Little change in temperature. Minimums tonight: At Port Hardy, 50; Massett, 48; Prince Rupert, 49. Maximums Saturday: Port Hardy, 64; Massett, 62; Prince Rupert, 63.

Invited, Then Not

LONDON—It has been revealed that King Haakon of Norway invited former Prime Minister Winston Churchill of Great Britain to visit Oslo and then cancelled the invitation, supposedly for political reasons.

INVESTIGATE PRESS
LONDON—One hundred British Labor Members of Parliament have signed a petition calling for an investigation of the British press, particularly in regard to its ownership and financial support.

VERDICT MONDAY
BELGRADE—The verdict in the trial of General Mihalevic, Yugoslav leader, charged with war guilt, will be given next Monday.

C. S. U. HEAD ARRESTED
TORONTO—Police today took into custody Harry Davis, vice-president of the Canadian Seamen's Union, and said they were holding him for Police Chief Fred Davies of Port Colborne on a warrant charging him with robbery with violence. It was learned at Port Colborne that the arrest was linked with the assault and robbery of Alex Morrison, Toronto private detective, at Port Colborne last month.

TO VISIT CANADA
OTTAWA—Hon. Walter Nash, deputy prime minister of New Zealand, will visit Ottawa for a one day stop-over before flying home to New Zealand. Mr. Nash, who is also New Zealand's finance minister, now is in Washington after attending the conference of British Commonwealth leaders in London and discussing trade problems with British leaders.

RED CROSS TO HAVE HOSPITAL AT TERRACE, IT IS ANNOUNCED

The Canadian Red Cross Association plans to establish a 10-bed outpost hospital at Terrace, Col. C. A. Scott, B.C. commissioner for the Canadian Red Cross told the Prince Rupert Rotary Club Thursday afternoon. The organization is at present negotiating with the government to take over the former army brigade headquarters for hospital use.

The move is part of the Red Cross plan to establish 11 new outpost hospitals in northern British Columbia centres where such facilities do not now exist, Col. Scott said, and is a part of the Society's post war policy which will also concentrate on blood donor clinics.
Col. Scott said that the major effort of the whole Canadian Red Cross will be concentrated on collecting blood so that "everyone in Canada, rich or poor, can go to hospital and will not be charged for blood transfusions." For this purpose, the society plans to spend \$1,000,000 to set up laboratories and travelling clinics. Two of these travelling units will be used in British Columbia.
A veteran of the first Great War, Col. Scott served during the last war as overseas Commissioner for the Canadian Red Cross, with his early headquarters in France, and after 1940, in England.
The Canadian Red Cross military hospital established at Taplow, England, is the finest of its kind he has ever seen, Col. Scott said, and is now being used for the treatment of children with cardiac conditions resulting from the war.
"It is a permanent memorial from the Canadian people to the children of Britain," he said.
The blood donor technique was originated in Canada by Dr. Charles Best and Col. Scott's wife, he said, and the organization is determined to make the service available free to the

TIE-UP IN PILCHARDS

Not Very Promising Yet for Fishermen and Operators
VANCOUVER (CP)—Union demands for eight-man crews on some boats and \$8 per ton for catches are threatening a tie-up in pilchard operations next week, it was announced by George R. Clark, acting chairman of the salmon cannery's operating committee. Operators' proposals will be considered at a union meeting Monday.

Meanwhile both sides in the four-day-old tuna fleet tie-up appeared pessimistic that an agreement would be reached on a new offer by vessel owners.

Canada Steamships Line Is On Spot

TORONTO—The federally-appointed controller of Great Lakes shipping, Capt. E. S. Brand told a press conference that he has ordered an examination of records of Canada Steamships Lines to determine whether the line is carrying out his orders. The company has announced that the investigations will be welcomed.

FLAG DESIGN DECIDED ON

OTTAWA (CP)—The Parliamentary flag committee accepted by a vote of 21 to one a sub-committee recommendation that "the national flag of Canada should be a red ensign with Maple Leaf in autumn golden colors in a bordered background of white replacing the coat of arms in the fly."

LARGE INTAKE

Each adult inhales a gallon of air per minutes and consumes 30 ounces of oxygen daily.

Canada Steamships Line Is On Spot

Brand told a press conference that he has ordered an examination of records of Canada Steamships Lines to determine whether the line is carrying out his orders. The company has announced that the investigations will be welcomed.

Officers On Road; Pick Up Taxi Man And Also Natives

Acting on the suspicion that considerable quantities of liquor were being supplied to natives working at the Port Edward canneries, Sgt. O. L. Hall and Detective Corporal A. T. Lashmar posted themselves on the highway at the city limits at the week-end and stopped cars carrying passengers from the city to Port Edward. As a result, a charge of keeping liquor for sale has been laid against Pat Mazzei, local taxi driver. Charges of being in possession of liquor, contrary to the Indian Act, have been laid against the following natives: Matilda Morrison, Julia Alex Long Charlie, Mrs. Evelyn Ross, Sydney Morrison, Fred Benson, Walter John Shaw, Enley Stewart, Wilfred Wiget, Louisa Wiget, Eddie Russell, Mrs. Albert Stevens.

JR. CHAMBER TO SPONSOR PORT QUEEN

Prince Rupert Junior Chamber of Commerce plans to enter the Port Day Queen race this year, hoping to repeat its 1945 victory at the midsummer carnival glamor poll. At a special meeting last night the Chamber named a committee to develop a candidate, and to co-operate with the carnival committee. Chairman of the committee is Harold Hampton. Other committee members named were Alf Rivett, Wilfred McLean, Hawthorne Graham, Louis Amadio and Clarence Boxall.
Port Day committee chairman Tony Crawley reported that the schedule for the day's events had been drawn up and revealed that a canvass of local business people for prizes and funds had so far yielded more than \$400.
The meeting also heard reports from Alf Rivett on the regional Junior Chamber of Commerce convention at Prince George last month and from President Clifford S. Ham, who attended the national convention at Edmonton. Votes of thanks to both delegates were extended by the 25 members at the meeting.

CONSTELLATION PLANES DOWNED

Unprecedented Step Is Taken By United States Government
WASHINGTON, D.C.—The United States government took an unprecedented step yesterday when the civil aeronautical board ordered the grounding of all aircraft of the type of the Constellation transport plane which crashed near Reading, Pennsylvania, killing five persons. There will be a strict check on the airworthiness of these ships. The Lockheed Aircraft Corporation, the makers, expressed amazement at the order.

RABBI IS RELEASED

Storm Centre of Controversy In Palestine Is Given Liberty by British
JERUSALEM—Rabbi J. L. Fisham, 71, acting head of the Jewish Agency executive, was released from Latrum detention camp and returned to Jerusalem today. He had been arrested two weeks ago in a British round-up of Jewish leaders. It was announced that he had been released "in view of his age and the condition of his health."
Rabbi Fisham had been the centre of controversy between leaders of the London office of the agency who had charged he was assaulted by captors and the British government which had denied the accusation.

GOOD RAINS HELP CROPS

Average Yield Expected In All Districts
WINNIPEG—Good rains and warm weather throughout the prairie provinces have improved crop conditions generally and an average crop is expected in practically all districts, according to the weekly crop report of the Department of Agriculture of the Canadian National Railways.
Scattered hail damage is reported at a few points in northern Saskatchewan but the areas affected are not extensive. Generally, the crop is short strawed but heads are filling satisfactorily.
Weather has been quite warm in the Okanagan with a few light showers. The cherry movement is now on in full swing and will be about 60 per cent of last year's crop. Other fruits are progressing favorably and an exceptionally heavy movement is expected.
