AIR TO BE KEPT CLEAR

British Government Disapproves Radio Broadcasting—Newspapers May be Probed

LONDON, (P)—Rt. Hon. Herbert Morrison reaffirmed in the House of Commons yesterday the government's intention to maintain a ban on commercial (advertising) broadcasting in Great Britain, to renew the British Broadcasting Corporation's charter for five years without immediate inquiry into its operations and dropped another hint about the possible investigation of Britain's newspapers, particularly the chains and the groups.

Mr. Morrison said it was not true that the British Broadcasting Corporation was under the thumb of the government.

The minister spoke of the deterioration which he felt would occur in broadcasting if commercial advertising were to be permitted. He, for one, became disgusted with programs in other countries where the air was filled with commercials.

Applewhaite Sec't'y Of Public Relations

E. T. Applewhaite, secretary of the Prince Rupert Chamber of Commerce, has now taken on the duties of secretary of the Prince Rupert Public Relations Council as well following the departure from the city of the former secretary, Miss Jean McMillen.

AXIS PRISONERS LEAVING INDIA

NEW DELHI, (P)—A mass "personally-conducted" exodus of war prisoners interned in India during the war is now under way. In all, more than 73,000 Axis subjects were brought to India during the course of the war—68,200 Italians, 2,563 Japanese and 2,400 others. As many as 1,770 Japanese civilian internees have already left India for Singapore. Deaths among prisoners of war in India totalled 579 Italians and 280 Japanese, the majority from malaria. Seventy died from wounds received on the battlefield.

GEOGRAPHIC WRITER IS VISITOR HERE

Touring the north coast of British Columbia and Alaska as a writer for the National Geographic Magazine, Amos Burg of Portland, Oregon, brought his 36-foot yacht Endeavor into port here last night, sailing again for Ketchikan. During his brief stop in the city, Mr. Burg obtained information on this district from R. E. Montador, chairman of the Prince Rupert Public Relations Council.

"In previous fights for human liberty, the Bar had always taken a leading part, but recently the Bar has stood aside while the battle is being won by newspaper writers and publishers," said Gilbert Montague of the New York Bar Association.

Guards Winnings Riding On Train

JOHANNESBURG (P) — After winning £1,380 ($6,210) when he backed the double at a race meeting, a Johannesburg native spent a worried, sleepless night. How could he keep the money safely? He went to the police and asked for protection. He was advised to spend the night with his wealth in a cell, but this did not appeal to him. Finally he worked out a plan more to his liking. He decided to patronize the South African Railways and, for a modest sum, passed the hours of darkness riding by train between Johannesburg and Pretoria. The following morning he banked most of his money on fixed deposit, placed some in a savings account and kept over a few pounds with which to celebrate.

20 YEARS AGO ... In ... RUPERT SPORT

The Naval Reserve won from the Y Macs in the Intermediate Football League by 4 goals to 1. Gawthorne scored for the Y Macs in the first half but the Navy boys scored three goals in the second half, all by Sims, and then a Y Mac defence man turned the ball past his goalie for the fourth goal.

The leaders in the trap shooting of the Prince Rupert Club were J. W. Scott, J. Keefe, Dr. Kenny, H. Birnie, G. A. Bryant and C. H. Orme.

The city tennis championships are now in the semi-final stage. Marentette will play White and Carmichael will play Joslin. In the men's doubles Howard and E. J. Smith will play Carmichael and Campbell. The winners will meet Robertson and Marentette. The winner of Mrs. Stepp vs. Miss Mitchell will meet Miss Riel. Col. and Mrs. McMordie will meet Tobey and Mrs. Smith in the mixed doubles.

Since the British and North Ireland governments particularly expressed their desire that newspapers should maintain regularity, a dispersal scheme was effected that enabled all daily newspapers in Belfast to come out regularly, despite heavy air raids.

MOOSE DOWNED 3-2 BY SAVOY

Another Close Game in City Fastball League

Savoy pulled another prong from the Moose antlers at Roosevelt Park last night when they defeated the fraternal team 3-2 in the first game of the fourth round of the city swat league. Carried by pitcher Alex Bill, who ran up an imposing record of 14 strikeouts in seven innings, the hotelmen now have three straight wins and no losses in the league schedule.

Despite their unbroken series of four losses, however, the Moose have a team which shows a considerable amount of promise if it ever really got in its stride and got a few breaks. Last night's game showed good fielding and fair hitting ability, but the boys just didn't seem to be able to close up.

On the mound for Savoy, Alex Bill pitched three shutout innings, the second, third and sixth, allowing only four hits throughout the game, and tallying 14 strikeouts. He allowed only three walks. Altogether, it was probably as good a pitching performance as has been seen here this summer.

Hector McKinnon, the Moose moundsman, turned in a good show. He walked only one batter and struck out five.

Savoy got a two run lead in the first inning when Arney and Johnson came in on a hit by Bruce Simundson who slammed a line drive through centre field. Simundson was tagged on second by Linney for the third down, but he had the satisfaction of bringing two runners in.

Moose scored their two runs in the sixth when McNeice and Linney came in on a Savoy fielding error after Moore had hit to the infield.

In the fourth inning, Savoy coach Scoop Bury put Jim Forman in left field, replacing Pavlikis, and Bob Vukovich on third replacing Bruce Simundson. In the sixth, Boyo Gurvich went in at right field in place of Doug Kerr.

Henry went in as third baseman in the Moose line-up in the fifth inning, replacing Moore who took over from Christopherson as catcher.

Savoy—A. Simundson cf, Kerr rf, Arney 2b, Johnson ss, B. Simundson 3b, Postuk c, Bill p, Davis 1b, Forman lf, Vukovich 3b, Gurvich rf.

Moose—McNeice 1b, Linney 2b, Wilson ss, Moore 3b, Duncan rf, Karachowsky cf, Kurdnell lf, McKinnon p, Christopherson c, Henry 3b.

BOXING

Anybody interested in entering boxing, attend Civic Centre tonight and Thursday at 7:00 sharp in preparation for bouts on July 26 and August 16. (166)

SHORT SPORT

Henry Armstrong, welterweight boxing champion, stopped Lew Jenkins, lightweight titleholder, in the sixth round of a scheduled 12-round non-title bout at New York six years ago tonight. Armstrong took a pasting in the first three rounds but weathered the storm to win when Jenkins couldn't come out of his corner for the seventh round.

For getting into "an argument that was none of his business," John Rizzo, rookie Pittsburgh Pirate outfielder, was fined $25 by President Ford Frick of the National League eight years ago. Rizzo had rushed off the bench to protest a called strike against Jim Tobin and was banished by Umpire Larry Goetz.

GIRLS PLAY FASTBALL

Moose Defeats Whirlwinds and Macey's Win from Kinettes

In last evening's regularly scheduled fastball games the Moose team defeated the Whirlwinds by 23 to 10 and Macey's won from Kinettes by 17 to 4.

The Moose girls ran up 10 runs in their first time at the plate and the Whirlwinds were not able to make up the leeway.

Windle pitched the first five innings for the Moose and was never in serious trouble. Bond took over for the last two innings. Horne caught. Bellamy, Bond and Ericksen were the heavy hitters each scoring four runs. Wright and Ritchie scored three each, Horne and Falardeau two each and Windle one.

Brown scored three runs for the Whirlwinds, Anderson two, and Armstrong, Postuk, Cowgill, Jensen and Reid one each. Cowgill pitched and Armstrong caught. Loose fielding allowed many hits to get away and the girls, in fielding, need to learn to get in line with the hit ball and not beside it. Both teams played hard and enjoyed the game.

Teams:

Moose—Horne, Bellamy, Bond, Ericksen, Wright, Windle, Fardeau, Ritchie, Hintz and MacIntyre.

Whirlwinds — Menell, Armstrong, Postuk, Cowgill, Jensen, Reid, Brown, Anderson, Stangbye.

Scores:

Moose	10	1	4	3	0	0	5	—23
Whirlwinds	0	4	0	2	2	2	0	—10

Macey's Too Good For Kinettes

With Hamilton pitching good ball, Macey's had little difficulty in winning from Kinettes by 17-4. The Kinettes were held runless in their first four turns at the plate and were able to keep Macey's from scoring only in the last two innings.

Thain was the leading batter for the winners with four runs. L. Thornton had three runs, North, A. Hamilton and J. Thornton had two each and Johnson, B. Hamilton, Hitchens and Unick one each. The battery of the Hamilton sisters were very snappy and few errors were committed in the field. This team shows the results of their good training last year and plays smart ball. Hamilton had 12 strikeouts.

The Kinettes were unable to solve the deliveries of Betty Hamilton until the fifth inning. Runs were scored by L. Barbe, Bussey, Blain and Payne. Little Katie Didrickson got on base three times but she was not able to get home. Bussey pitched and Barbe caught.

Teams:

Macey's—North, Thain, Johnson, B. Hamilton, L. Thornton, A. Hamilton, Hitchens, J. Thornton and Unick.

Kinettes — L. Barbe, Bussey, Blain, Payne, Grimble, Didrickson, Sandhals, Barbe and Grey.

Scores:

Macey's	1	8	3	1	4	0	0	—17
Kinettes	0	0	0	0	2	0	2	— 4

Navy Will Play For Olof Hanson Trophy

Arrangements are in progress to raise a football team representing Prince Rupert to defend the Olof Hanson trophy against a team from H.M.C.S. "Uganda." This trophy was presented by Mr. Hanson to the local Football Association in 1930 for annual competition against teams from warships visiting this port. During that period the cup has been held by H. M. ships Despatch, Dragon, Danae and lastly by H.M.C.S. Skeena in 1935 from which ship the cup was retaken by the Prince Rupert All Stars in 1936. No game has been played for the cup since that date.

NAVAL CUSTOMS AND TRADITIONS NO. 6
STARBOARD: The word is derived from the old Saxon "steereboard" or "steerbord" — as our shipped at the right hand side of the ship's stern to act as a rudder. In to-day's Navy, Starboard indicates that side of the ship or the right hand of a sailor who stands on board facing the bow. It is the opposite of Port, formerly Larboard.
