Steward of the Coffee

In sixteenth century Constan-
tinople every wealthy household
employed a "Steward of the
Coffee". His duty was to super-
intend the serving of coffee to
all callers and guests. Failure
to serve it with due ceremony
was a grave social error.

Serve the Coffee with the Extra-Rich Flavor

Maxwell House Coffee has extra-rich, mellow, full-
bodied flavor because it contains choice Latin-
American coffees. This glorious blend is then
"Radiant-Roasted" to capture the full flavor of
every coffee bean. More people buy and enjoy
Maxwell House than
any other brand of coffee
in the world. You can
serve Maxwell House with
confidence. It's "Good
to the Last Drop!"

Maxwell House
is such a help
towards success-
ful entertaining.
