

Sure you do-and you can with this improved RPM Motor Oil. It's got what other motor oils haven't. You can't get inside your motor to scrape the gum and carbon out like you do your pipe. But this oil will do it-it's got a cleansing agent in it that does just that, and prevents new formations, too!

Take it from me, your repair bills will be smaller if you use RPM Motor Oil.

\*\*\*\*\*\*\* Captain Robert C. (Bobby) Petre, 33-year-old Scots guard officer who piloted Lovely Cottage to an upset victory in the Grand National steeplechase this year, has decided to turn professional. In an interview at Tunworth, Hampshire, he said he would apply for a licence as a trainer under National Hunt rules for next year. "I also intend to continue riding, but as a professional trainer I should not be allowed to ride as an amateur. I shall therefore apply for a licence as a professional

Although hundreds of wagers were laid on Derby County to win the English football cup, some backers lost their money. Many bookmakers stipulated 90 minutes' play and at the end of regulation time, the score was tied 1-1 with Charlton Athletic. Therefore, as bookmakers declare, Derby did not win in 90 minutes and the "punters" are losers.

Leslie Barry, 40-year-old professional, has been chosen to captain Leicestershire county cricket club this season. He is the county's opening batsman and scored more than 1,000 runs in each season from 1933 to the outbreak of war.

Gus Lesnevich Such a Terror That He Scares Sparring Partners Away

LONDON, (P) - Lightheavyweight champion Gus Lesnevich made quite an impression on British boxing fans and sports writers when he stopped Engiand's Freddie Mills in 10 rounds at Harringay Arena here.

"I got the impression that Lesnevich is a worthy champion of America and possibly of the world."
