LITTLE DRAMAS OF HOME LIFE

Pop was writing the household cheques ... and suddenly blew his top!

IT was as quick as that! All was serene in the household, with the Male Parent working in his den, the rest of the family scattered around. Then, all of a sudden, Pop exploded like a landmine.
What had happened to Pop? — Was it the bills? — no, they came every month. Was it the kids? — no, Pop usually took them in his stride. Was it — yes, this sounds like it — a caffeine hang-over? For Pop had been going it rather strong for tea and coffee recently.

Watch your nerves! Drink Postum — for its grand, rewarding flavor — and because it's the ideal way to stop drinking tea and coffee. Contains no caffeine to over-stimulate and upset you. Convenient — made right in the cup — economical — costs less than a cent a serving.
