**GET READY FOR  
Next Winter**

*Order your COAL Today!*

THERE IS no time to lose in ordering your coal. Western Canadian miners look to you for steady employment this spring and summer so that you will have coal for next winter. Your immediate order helps to keep coal moving from the mines to household bins. There must be no "slack season" in the mines this year. Next winter's coal must be mined during the next four months. Order your coal at once and accept delivery whenever your dealer can make it.
