STURDY FARM PICTURE HERE

'The Southerner,' at Capitol Theatre, Heart-warming Picturization of Well Known Novel

'The Southerner,' picturization of the heart-warming novel, 'Hold Autumn in Your Hand,' comes this Tuesday and Wednesday to the Capitol Theatre with Zachary Scott and Betty Field in the starring roles. It is the story of a sturdy young migratory cotton picker whose love of the land gives him the courage to forsake doubtful security for a doubtful battle with nature that is the lot of a man who owns his own crops.

One of the poignant moments of the film is the scene when the young farmer and the young family light the first fire in the crude shack that is the beginning of the struggle for peace and security. Their subsequent fight to battle the elements and make a living from the land makes an intriguing tale.

Zachary Scott, of course, has the title role while Betty Field is the courageous young wife. Beulah Bondi is the bright-eyed, if shrewish, old grandmother. Jay Gilpin and Percy Kilbride are the girl and boy. J. Carroll Nash and Estelle Taylor also have important parts.

SEA CADET BAND PLEASSED CROWDS

With Guard of Honor Added to Parade on Victoria Day

One of the pleasing features of the Victoria Day parade and sports was the full measure of co-operation given the Kinsmen's Club by various organizations and individuals of the city. In this connection the help given by the Captain Cook Corps of the Royal Canadian Sea Cadets was worthy of special note.

The corps had had a very busy week. They had held their regular weekly parade on the Monday evening. In view of the annual inspection on Wednesday there had been extra parades on the Tuesday. Then came the very important annual inspection on Wednesday evening. Many of the lads had already made arrangements for outdoor activities on the Friday but, when they were asked to turn out on the Kinsmen parade and march to Roosevelt Park, they did so and the band and guard of honor were at practically full strength.

Their smart appearance fine marching, and the playing of

the bugle band were all impressive. These showed the results of many evenings of training. The guard of honor was the subject of much favorable comment by veterans—young and old. Their smart rifle movements, their efficiency, their certainty of action bore the stamp of first class training. Their 'present arms' to the May Queen was worthy of royalty. For this much credit must go to the officer in command of the guard, Midshipman Len Youngman.

The band under Midshipman Mel Thompson also was first class. Here again the results were a sign of the steady training of months. When the corps goes to camp this year these two units will certainly set all other cadet corps a standard that will be very difficult to beat.
