OLD 'FRISCO IS PICTURED

An exciting blend of gripping, fast-moving drama and scintillating song and dance set against the background of San Francisco's fabulous Barbary Coast in its glittering heyday makes "Nob Hill," coming to the Capitol Theatre here this Thursday, Friday and Saturday, one of the big entertainment pictures of the season. It is a technicolor production and stars George Raft, Joan Bennett, Vivian Blaine and Peggy Ann Garner.

The story is that of Tony Angel, idol of the Barbary Coast, who gambled all to storm the society bastions of Nob Hill, of the beautiful blue blood from up the hill who played with fire in her search for Barbary Coast thrills, of a tough and torrid cafe singing star who fought like a tigress for the man she loved, and of a little girl who, plunged into a world she never dreamed of, finds herself a figure in poignant drama.

Hit songs in the picture "I Walked in With My Eyes Wide Open" and "I Don't Care Who Knows It."
