## SEEKS PLAYERS

During the rest period at its regular weekly rehearsal in the Civic Centre the Prince Rupert Band held a meeting last night with President J. Addison in the ived in the city yesterday after- chair. There was a full attendance of members present and various items of business were discussed, the main of these being the naming of the newly formed band.

It was unanimously agreed the name would henceforth be the Prince Rupert Civic Brass Band. The need for more players, particularly in the cornet and reed sections was stressed and members were urged to try and get others to join.

It is hoped the band will be able to put on several concerts in the Civic Centre during the coming winter.
