An address of welcome was given by Mr. O'Neill and others heard from were Coach Hannan of Kayhi and Earl Leding of the Ketchikan radio station sports announcing staff.

The entertainment portion of the program included Lorraine Youngman singing "I Can't Begin to Tell You," accompanied by Christine Currie, Joanne Langridge, Lorraine Youngman and

SHORT SPORT

Gene Tunney has been predicting all along that Joe Louis will beat Billy Conn when the two meet for the heavyweight championship next June. Interviewed in Havana yesterday, Tunney went even further and said that Louis can knock out Conn in the first or second round if he wants to. Tunney added: "Joe is a far better all-around fighter than Conn ever will be."

BO-ME-HI STUDENT NEWS FROM LOCAL HIGH SCHOOL
WIDE VARIETY OF ACTIVITIES AT BOOTH MEMORIAL HIGH SCHOOL

Pupils of Booth Memorial High School have banded themselves in many clubs to carry on a wide variety of extra-curricular activities. The various clubs meet each Thursday afternoon under the direction of student officers and teacher sponsors. A review of the activities of the various clubs

proves interesting. Journalism Club: Teachers in charge are Mr. McLean and Miss Kovach. Since the Journalism Club organized last fall the members have busied themselves with learning something of the fundamentals connected with papers. The efforts along this line have resulted in one paper before Christmas and another in the making. It is their hope to sell this on February 22.

Fancy Work and Sewing Club: Teacher in charge is Miss Kirkpatrick. This club is doing various kinds of fancy work like tablecloths, knitting gloves, pillow cases, cushion covers, dresser scarves, dollies, punchwork, embroidery, chair ends, plain knitting and making aprons.

Electricity Club: Teacher in charge is Mr. Hardwick. In the electricity club the boys are making a door chime for which they have to get various materials such as tent tubing, tin, wood, screws, etc. Tent tubing is a new kind of plastic tubing which they have to send to New York to obtain. This club consists of about 20 to 25 boys who range from grade seven up to grade nine.
