CONTINUING SEARCH FOR MISSING MAN

Plans for a comprehensive search of Porcher Peninsula for Hans Jacobsen, missing since October 4 while on a deer hunting trip in that wild region of Porcher Island, were being laid today by friends of the 73-year old man.

Carrying a number of searchers, the halibut boats Gony, Capt. Olaf Andreassen and the Dove B., Capt. Tony Martinson, are going out Sunday morning and it is expected that others may take part, being transported to the island by smaller boats.

FAILED TO RETURN
Jacobsen has not been seen since he disappeared into the bush on a deer hunt a week ago Friday. A search for him has been in progress since that afternoon when he failed to return to the boat of his partner, Martin Gunderson.

Jacobsen, Gunderson, Einar Christiansen and Louis Anderson left the city October 1 on the hunting trip.

Searchers doubt that the aged man is alive since it is known that he had heart trouble. It is doubted that he could have survived the ordeal of 10 days in the wild bushland.

JOHN LAWSON, 80, SUCCUMBS

John Lawson, veteran British Columbia boilermaker and a resident of Prince Rupert for the last 20 years, died last night in the Prince Rupert General Hospital. He was 80 years old.

Born in Victoria, Mr. Lawson learned the boilermaking trade in that city and was among the first to follow that type of work in the capital city. During his lifetime he travelled widely in the United States, settling in Prince Rupert 20 years ago. He was employed at the Prince Rupert Dry Dock until his retirement eight years ago. He lived on Eleventh Street.

He never married, and is survived by one brother, Charles R. Lawson, in Vancouver.

MAN CAN TAKE IT

BRISBANE, Aust. (P)—Man can stand high temperatures much better than animals, says Prof. D. H. K. Lee, after sweetering three university students and four cows for periods during 15 days in a hot box up to 110 degrees. The students lost one pound an hour in the hot chamber but put it on again during the hours spent outside.

LONDON, (P)—The R.A.F.'s No. 147 transport squadron has carried 152,000 passengers and \$168,000,000 worth of freight without mishap.

SISTER SHIPS TO RETURN TO THEIR WEST INDIES RUN

MONTREAL—The sister ships, Lady Nelson and Lady Rodney, only two of Canada's famed "Lady" liners to survive the war, again will ply the Canada-West Indies trade route on completing their sailings for the Department of National Defence, it was announced here today by R. C. Vaughan, C.N.R. chairman and president of the Canadian National Steamships.

"Both ships are at present engaged in repatriation service," he said, Lady Nelson, distinguished as a hospital ship, will return to the C.N.S.S. this month, followed by the Lady Rodney in November.

SAIL EARLY IN 1947

First sailing from Halifax to the West Indies will be made late in February or early in March, 1947.

Three sister ships, Lady Drake, Lady Hawkins and Lady Somers, were lost by enemy action.

Mr. Vaughan indicated that the Canadian Cruiser, first of three new diesel-driven vessels purchased by the C.N.S.S. from War Assets Corporation, will be received from the builders in time to embark passengers at Halifax late in November.

SECOND NEW SHIP

Canadian Challenger, second of the new 7,500 deadweight tonnage vessels, will be delivered during the latter part of November. Both vessels will call at West Indies ports.

Canadian Constructor, third new ship, being built in Vancouver, is expected to sail from Vancouver on her maiden voyage late in November, carrying passengers and cargo for Kingston, Trinidad, Barbados and Demerara. She will return to eastern Canada and join the other vessels in the eastern group service.

HOW CAN I ??? ?

By ANNE ASHLEY

Q. How can I sew braid or silk tape on the bottom of a skirt, where the stitches must not come through?

A. Open the hem sufficiently to insert a strip of cardboard. The cardboard can be pushed along through the hem, keeping it directly under the place being sewed.

Q. How can I clean zinc?

A. Dip a piece of flannel in warm flannel and rub article thoroughly. Then wash with hot water and soap and polish with a soft dry cloth.

Q. How can I relieve burning feet?

A. If one suffers from burning feet, shake a little powdered tannin, or powdered borax, into the stockings. One will find either very soothing.
