BOSTON BRUINS DEFEAT HAWKS

NEW YORK, (AP)—The second-place Boston Bruins increased their lead over the third-place Chicago Black Hawks to three points by edging out New York Rangers three to two in a National Hockey League game at New York. It was the only game played last night.

The Bruins came from behind to score their win. They were behind two to one in the second period when Herbie Cain scored to pull them level. In the third period Roy Conacher fired their winning goal.

At one point the Bruins were in the lead, in the first period when Bobby Sauer scored. A goal by Phil Watson in the same period tied the score for Rangers and early in the second frame Cal Gardner scored for the Rangers to give them the lead which they could only hold for a few minutes.

Dick Metz Wins Palm Beach Golf

WEST PALM BEACH, Florida—Dick Metz, the Arkansas City, Kansas, golf pro, yesterday won first money in the seventh annual Seminole Golf Club tournament in West Palm Beach, Florida. Metz teamed up with the former United States ambassador to Britain, Joseph Kennedy, and with amateur Virgil Sherrill of New Orleans in the three-man team affair.

Britisher Gets American Offers

LONDON—The former British lightweight boxing champion, Eric Boon, has received offers for three fights in the United States. No terms were mentioned in the offers and, until they are learned, Boon will not make any commitments. Boon's manager, Benny Huntman, is cabling to the United States for terms. Boon now is fighting as a welterweight.

STATE BENEFACTOR

LONDON, (AP) — In 1927 an anonymous donor left $2,250,000 in trust to accumulate until large enough to extinguish the national debt. The bequest has now grown to $5,625,000, states the House of Commons committee of public accounts.

SAVOY, HIGH SCHOOL WIN

In the Intermediate hoop series last night, Savoys edged out Co-op 28-24, and Bo-Me-Hi trounced Macey's 51-29, while in the night's opener, Junior League's High School overcame the Sea Cadets 29-17.

The Savoy-Co-op game was tense all the way. Co-op, which dominated the greater part of the game, began to slip in the third quarter. Co-op, apparently, felt badly the lack of Johnson, one of their mainstays who was not on the floor. High scorer was Joe Davis of Savoys with 12 points, followed by Boyo Gurvich of Co-op with 10.

In the final game, Rainmakers had a bit of trouble at the start, but finally got in the groove to emerge over Macey's with a 51-29 victory. Johnny Haugan of Macey's was sharpshooter for the game, netting 12 points, tallying up some nearly impossible shots. Forman and Hartwig of Bo-Me-Hi scored 11 and 10 points respectively.

In the junior game, Sea Cadets who played and won their first league game last week, failed to show the same quality, going down for a 12 point defeat. Youngman of Sea Cadets led his team with 8 points, while Boulter of High School had 7 points.

Individual scores:

Savoy—Davis 12, Holkestad 5, Eby, Alexander 2, Leland, Arney 7, Haugan, Simundson 2.

Co-op—Gurvich 0, Viereck 6, Petersen, Shepherd 2, Nordgaard, Skog, Sharp, Menzies 6.

Bo-Me-Hi—Forman 11, Hartwig 10, F. James 8, J. James 8, E. Ciccone 4, R. Lavigne 4, M. Thompson 6, Miller.

Macey's—Haugan 12, Murray 4, Cruickshank, Pierce 8, Olafson, Teng 2, Arntsen 3.

Junior High—T. James 2, T. Forman 4, T. Boulter 7, Lien 6, Wong 6, Scharff, Carlson 4, Eidsvick, Davies.

Sea Cadets— Youngman 8, Hebb 2, Brue 7, Currie, Watson, Johnson, Bouvette, Owens, Anderson.

Two More Bums Come to Terms

MIAMI—Two more holdouts have signed to play with the Brooklyn Dodgers. They outfielder Pete Reiser and pitcher Ralph Branca. Reiser was the National League batting champion in 1941. He went into the army after the 1942 season. Branca won five and lost six for the Dodgers last season. Brooklyn officials say there are only two real holdouts remaining. They are pitcher Joe Hatten and infielder Ed Basinaski.

SHORT SPORT

The former great defence star of Boston Bruins—Eddie Shore—said in Toronto that the time is coming when hockey referees must start making decisions according to the book or else they will seriously injure the game. "Otherwise," Eddie said, "the rule book must be written to coincide with the refereeing methods now employed." Eddie not only spoke as a former great player in the N. H. L. but also as an owner and manager. He is the owner of the Fort Worth club in the United States Hockey League and manager of the New Haven Eagles of the American Hockey League. Eddie contended that refereeing has never kept pace with the game's development. He claimed that the referees dealt far too leniently with such rules as board-checking, elbowing, face-offs, falling on the puck, high-sticking, holding and interfering.

Babe Ruth has declined an offer to become manager of the Manchester, New Hampshire, baseball team in the New England League. The Babe gave other commitments as his reason for turning down the post with the class B team. Manchester is reported to have offered Ruth special salary inducements if he would accept their offer.

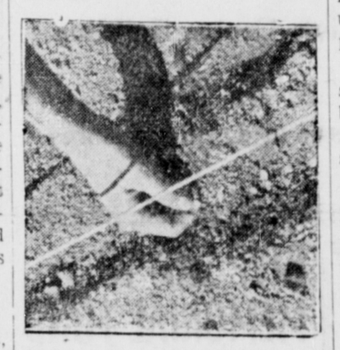
At San Bernardino, California, veteran Pittsburg Pirate infielder Burgess Whitehead has been placed under indefinite suspension for violation of training rules. Two other Pirate players have been fined $100 each. The fined players are Pitcher Johnny Lanning and Rookie catcher Vinnie Smith. Whitehead previously was fined $200 this spring for training infractions. Manager Franky Frisch says he doesn't want a bunch of sissies playing for him but players must keep within reasonable bounds of staying in shape.

A ranking British tennis star, who served with the United States Army during the war, says he wants to play in the British championships this summer if he can get away from his sporting goods job in Chicago. Charles Hare, former British Davis Cup captain, says he has notified the British Lawn Tennis Association that reports that he is planning to turn professional are erroneous. Hare entered the U. S Army air forces as part of a military exchange plan.

Right Way to Sow Seed Lessens Work and Waste

There is good reason for sowing more seeds than will be allowed to grow; but when this is overdone, not only is there a waste of seed, but unnecessary work is created in thinning out. Care in sowing will be repaid many times by reduced work later.

Seeds that germinate slowly, such as carrots, parsley, and parsnip, should be sown more thickly than others because the seedlings are feebly, and the force of many acting together helps break the soil crust and bring the sprouts to the surface.



Take Small Seeds in Hand and Drop in Drill So Each Can Grow Untangled With Neighbor.

It is much safer to sow even excessive amounts of seed, than to sow just as many as are theoretically needed on a basis of the number of mature plants to the row. Thinning is a process of selection, and the best are allowed to remain. It is evident the chances of securing the best are greater when the gardener leaves one plant out of 10, rather than one plant out of three.

But real selection is impossible if seeds are sown so thickly the roots of the tiny plants become entangled, and it is impossible to remove single plants, without disturbing neighbors. The thickest sowing therefore should allow each seed sufficient space to develop as an individual.

The surest way with small seeds is to take a few in the hand, and let them fall through the fingers into the drill which has been prepared. Get close to the ground, and with a little practice you can quickly acquire control so that the seeds will be evenly distributed, each sufficiently distant from the next to prevent entanglement.

Keep the seeds in line as well as you can. It helps to let the garden line which was used in making the drill remain in place until the seeds have been dropped in place.

It helps to mix the very small seeds with dry sand before you begin to sow, using two or three times as much sand as seed. This spreads the seeds out better.

Large seeds may be sown in pairs, spaced at the distance plants are to stand. If both seeds grow one plant of the pair can be pulled up. Bush beans, for example, give good results when standing four inches apart in the row. By sowing seeds in pairs four inches apart, an even stand is assured. In the case of beans even if thinning is neglected the twin plants are allowed to mature together there is no harm, but with plants of a different habit, thinning would be essential.
