## Models Publicize Airman's Flights

Designs Recalling Feats of Kingsford Smith May Go to Australian Museum

By WILLIAM STEWART Canadian Press Staff Writer

SYDNEY, Australia (P)-Austin Byrne, Australian railway employee and admirer of Sir Charles Kinsford Smith, has made a modest career of publicizing the feats of the airman who disappeared in 1935 on a flight from England to

ara "Babs" Heath on Byrne has spent the past 18 Montreal recently after years, first building an elaborous tour of U.S. stations ate scale-model of the "Southc Islands and Japan. ern Cross," Kingsford Smith's at the war is over, the famous plane and a globeoldier has only one am- mounted portable shrine comget back home as soon memorating his flights, and said Miss Heath, who then travelling to put them on ballerina of the musi- exhibition. A few weeks ago Rosalinda, the largest Byrne returned with his models roduction to tour the that weight 3,000 pounds, from the United States where during heretta was given full the war years he estimates they scenery and was per- helped to raise \$4,000,000 in bonds and savings stamps.

Byrne was an employee of the New South Wales State Railways when he decided to build his model of the "Southern Cross" after Kingsford Smith made his pioneering flight across the Pacific from California to Brisbane, Australia, in 1928.

It took his spare time for eight years to make and put together the 2,000 parts of the

lost in 1935, Byrne started to men. work on his portable shrine a volume bound with kangaroo many people." hide containing tributes to the Australian flier from other world-famous airmen.

Byrne's models were first put unforgetable experience, on display at Parliament House in Wellington, N.Z., and the New ell-known ballerina, who | Zealand government assisted his n Seattle from Yoko- passage to the United States where he did odd jobs to finance their transport about the country for war exhibitions.

> Byrne, who says he turned down offers of as much as \$50,-000 for his models in the United States, brought them back Australia on a five year-old steamship ticket given him by the New Zealand government in

His hope now is that Austraauthorities will find the system that is causing models acceptable for the Na-

Mrs. Chambers started in the trade seven years ago and liked the work so well that she learned every phase of the craft. She said that she had never gouged her finger with an awl and has come to enjoy the acrid odor of

Her husband, whom she said she "almost married over a mended boot," is also a cobbler.

## Workers, Officials Go to Mining School

BINGLEY, Eng. (9)-Members of the National Coal Board, who will supervise the coal industry under nationalization, are to attend a summer school on mining problems in this Yorkshire town in August.

Fellow-students will be prospective branch officials of the Union of Mineworkers, most of whom will come direct from the mine-faces. Worker students will be paid at their usual emplayment rates.

Theme of the course will be "Prospects and Problems of the Coal Mining Industry under Nationalization."

## Delegates' Ladies Are Entertained

TERRACE-The home of Mrs. James Smith, wife of the president of the Terrace Board of Trade, was the scene Thursday afternoon of a delightful tea in honor of the wives of the visiting telegates to the convention of the Associated Boards of Trade of Central British Columbia. The rooms were beautifully decorated den of Mrs. Harry King. Mrs. Smith was assisted by Mrs. Harry King and Mrs. D. G. Little.

This afternoon Mrs. Nigel U. S. Fleet Sherwood is hostess to the ladies Canadian Fleet at a garden party at her beautifully situated home on the bank of the Skeena River.

## India to Improve Civil Milk Supply

NEW DELHI ()-To improve the milk supply of India's civil population, the quartermastergeneral in India has offered to place the resources of the Military Farms Directorate at the disposal of civil administration in this country.

He has also expressed his willingness to implement such of the dairy farm schemes of the provincial governments as they may wish him to undertake or their behalf. In addition he is prepared to establish milk production units, each of which LONDON, W-More than 400,will be handed over, when runin England and Wales in 1945, ning smoothly, to the governments concerned.

# UP THIS YEAR

national Fisheries Commission show that for the period from May 1 to July 31, 1945, the following total amounts of halibut have been landed in Pacific Coast ports from Area 3: 19,301,000 2,360,000

22,161,000 Landings for the same period in 1945 were as follows:

Landings from the closed Area 2 during July were restricted to that halibut caught incidentally while fishing with set lines for other species under permit and amounted to 269,000 pounds in 1946 compared to 237,000 pounds

for the same month in 1945. All figures are preliminary and subject to amendment.

SYMBOLIC CHOICE

June became popular as a wedding month because it gets its name from Juno, the faithful wife of Jupiter and the god-
