NORTHERN GATEWAY

(By ALEXANDER McEWAN)

t no Bobby Service and I ain't no Rudyard K. ome things I'd like to mention in my own benighted way. residents of Prince Rupert, the gateway to the North, "re not punching nearly hard enough, don't seem to know your worth.

ook a foreign power from the land of Uncle Sam show Canadian people they didn't even know their land. the interests of those to come in the memory of those gone. ve got to show Canadians the Pacific set-up is wrong.

proved your worth in time of war, now no one gives a hoot. war is won, you're smugly set aside like an old boot. ere's an Empire in the Northland, how rich God only knows. they're lacking the facilities, these people of the Snows.

or peace this port of ours could well mean our salvation, we got to be road-minded if we're going to be a nation. let's get in a-punching, don't let the Northland down, is make Prince Rupert a seaport, not just a fishing town.

you be sure?

Don't think for a minute every asphalt roof you see is a DuroiD roof, just because the trade-name "DuroiD" is so well-known.

That is not so. There is only ONE Genuine DuroiD roof, and it's made exclusively by Sidney Roofing. Only the highest quality rag-felt goes into Genuine DuroiD roofs . . . that's why DuroiD roofs will greatly outlast any other type of asphalt roof.

Don't be satisfied with any roof other than a Genuine DuroiD roof . . . accept no substitute. Look for the Sidney Seal of Quality on every bundle.

TEEN AGE PLANS-The Civic Centre staff has outlined the possibilities of organized 'Teen Age activities and the rooms that would be available for their use. The responsibilities and privileges of intermediate members were enumerated. Followling this, the teen age representatives (Vickie Meuffels, Frank James, Don Hartwig and Rupert Holkestad) then stated their ideas on the organization and operation of a teen club. It was pointed out that the membership in such a club should include all 'teen agers in town and not be restricted to students only. Until a permanent 'teen club is formed, it was decided to equip and maintain the common lounge of the Civic Centre as a 'teen age games and club room. The representatives showed a fine spirit of co-operation and it is felt that a good start

Coming from this well known resident of Prince Rupert, who was for many years president of the Scottish Gymnastic Association, this is a fine tribute in-

was made towards well organ-
