WHEN PRINCE RUPERT PAID VISIT HERE

The exploit of the new Royal Canadian Navy frigate, H.M.C.S. Prince Rupert, in sinking a German submarine in mid-Atlantic recalls an interesting ceremony aboard that vessel when she visited here early last September soon after her commissioning.

The trim new war vessel was thrown open for inspection by ladies of the Imperial Order, Daughters of the Empire, Canadian Legion Women's Auxiliary and Navy League Women's Auxiliary.

Mayor (at that time) W. M. Watts was present and, on behalf of city and citizens, made the presentation to Lieut. Commander Draney of a handsome plaque and a library of gramophone records as a community gift. Comforts and cigarettes were given as a personal gift to the ship's personnel by Mr. Watts.

The local Imperial Order, Daughters of the Empire, Mrs. G. E. Moore, municipal regent, having assumed sponsorship of the vessel, presented a washing machine. Since then other gifts have been sent regularly to the ship by the I.O.D.E.—100 records, six thermos bottles and a steel guitar at Christmas and since then toasters and electric irons.

Inquiries For Terrace Land

TERRACE, June 15 — Numerous inquiries for land in the Terrace district continue to come from far and near. Even some Prince Rupert people are among those who are considering the possibility of settling on the land in this area.

The completion of the Skeena River highway east and west from Terrace and the ending of the war should bring many new settlers to this district.

Captain Whittles In Invasion Army

Capt. J. E. Whittles, former Anglican rector at Burns Lake and one time area chaplain here, was among the invasion forces which crossed from Britain to France last week.

"Threw away my harsh laxatives"

"Out they went, all harsh embarrassing purgatives. For *my* constipation turned out to be due to lack of "bulk" in the diet. So gentle ALL-BRAN proved the answer for me."

Yes, ALL-BRAN is for *you*, if your trouble is due to lack of "bulk" in the diet. Here's what you do. Eat KELLOGG'S ALL-BRAN regularly, and drink plenty of water. This pleasant cereal helps to produce smooth-working "bulk," and prepare wastes for easy elimination. You'll want this regularity, so you'll enjoy eating ALL-BRAN daily. Remember it's a cereal—not a medicine. At your grocer's. 2 handy sizes. Made by Kellogg's in London,

Some Uncertainty As to When Road Up Skeena Opens

There is still some uncertainty as to when, after its completion, the new Skeena River Highway will be open to public travel. It is understood that, as far as the military authorities are concerned, there will be no objection to civilian travel. However, it is now suggested that, in view of the proximity of the road to the railway lines, the Board of Railway Commissioners may lay down certain restrictions.

Page Rideout to Drive to Rupert

Word has been received at the Prince Rupert Chamber of Commerce office from Page Rideout of Peace River, apostle of the Prince Rupert outlet for the Peace River, that he contemplates driving here soon after the new highway down the Skeena River is conmpleted. He would come out by way of Edmonton, Jasper Park, the Columbia River Highway and Prince George.
