At last night's meeting of the hospital board, the house committee was asked to proceed with the purchase of a carrier for the oxygen anaesthetic tanks. The carrier will relieve the nurses of heavy lifting when it is required to move the tanks about in connection with their use.

Mrs. S. A. Kielback, represenative of the Women's Auxiliary. informed the hospital board last night that the election of officers for the Auxiliary during the coming year would be held on Tuesday night of next week.

Mrs. O. F. Murray offered the suggestion at last night's meeting of the hospital board that the Registered Nurses' Association should be represented by one of ts members on the board. It was pointed out in discussion that the constitution would have to be changed and a special federal order-in-council passed if the request was to be complied with. The proposal will be placed before the incoming board.

There were 2441 patient days at the Prince Rupert General Hospital during the month of January, Arnold Flaten, chairman of the finance committee advised the hospital board at its meeting last night. This included 2139 days for in patients and 302 days for out patients. There had been a total of 202 in patientsthat is patients for more than casual treatment involving less than a day.

The board of directors of the Prince Rupert General Hospital was in regular monthly session last evening at the hospital. In addition to more or less routine business, matters preparatory to the forthcoming annual general meeting of the Prince Rupert General Hospital Association came up. President G. P. Tinker was in the chair and others in attendance were Robert Gordon. Arnold Flaten. W. O. Fulton, Ald. George Hills, Mrs. O. F. Murray and Mrs. S. A. Kielback, directors, and H. W. Birch, managing
