## JAP FLEET HEAD DEAD

dmiral Mineichi Koga Killed On Active Duty While Directing Operations

NEW YORK, May 5 (9) - The Tokyo radio announced today that Admiral Mineichi Koga, commander of the Japanese com bined fleet, has been killed on active duty less than a year after his predecessor, Admiral Yama-

moto, met a similar death. Tokyo said that Koga died at his post in March while directing general operations from an airplane at the front.

## DEADLY TEAM WORK BURNS JAP FORTS

PORT MORESBY, May 5 (7). South Pacific air fighters have devised deadly tactics for dealing with Japanese strongpoints. They tried them out on Numa Following is a list of Numa village on Bougainville \$750,000. who have bought more with 12 P-39 Airacobras. Four Gaston Marie Carignan percent of their quotas, dropped 500-lb. bombs, and four A. McIntosh represent percentages dropped their belly tanks among D. R. Creed the wood and thatched buildings. C. E. Berner The last four poured in cannon 5, 65; Painters, 95; Staff, and incendiary machine-gun fire and the whole show went up in L. Lahti
