Closing In On Japan . . .

The Big United States air raid on the important Japanese base of Truk is further indication of the ruary food industry's War Stamp its fourth straight victory in the growth of Allied strength in the western Pacific. It Drive has been set at \$5,000. Area League, beating the Maple the sharp shooters for the Yanks may not be long now before attacks in considerable Food stores, bakeries, restaurants Leafs 30 to 6. scale, more than mere occasional forays, will be de- and hotels are all co-operating The Yanks-All Star clash con- points respectively. livered upon Japan proper. Certainly our forces are in the sale of stamps. closing in from various directions—north, east, south and west.

Major points, taken by the Japanese in their town clerk and treasurer, has handling and a couple of teams The Canadians were charged lightning drive of the first few months of the war in with drawn his application. the Pacific, of course, remain in the hands of the enemy. For the past year, however, the enemy has cobourg printer is now working made no offensive, being content to endeavour to overseas with the British Press hold what he has won although losing some of that. Se vice getting out a newspaper

There is no reason to believe, however, that the for Canadian servicemen Jap still has not much fight in him and that he may not yet be capable of some considerable moves.

Robert R. McCormick of the Chicago Tribune announces he will not be a presidential candidate in 1944. We're not surprised. He's just ornery enough to deny 99.999 per cent of American voters the keen pleasure of voting against him.

Easier Living Ahead . . .

The postwar house, according to research work- Centre posters sent to me from ers in the construction field, is being planned to pro- head office yesterday so what fold a luncheon prior to a match track officials purchased the dog. vide healthful living, aesthetic pleasure and freedom from drudgery for the housewife. The new houses will have improved ventilation, heating, lighting and even sound conditioning. Germicidal lamps to free streamle walk from here. And homes from disease germs, movable walls to suit as luck would have it I was just emergency requirements, built-in furniture, and Jean Bayfield who is leaving other innovations are in prospect.

Construction methods may undergo changes. up with the first of the C.W.A.C. Prefabrication is one of them. Many houses in the and has gone through all the future will be built on the assembly line. Every piece up a station and getting bedded of the house, down to the door knobs, will be manu- down. She has been a very able factured at the factory and all set into place when second in command to Captain delivered to the lot. There, several workmen will be Hewett who will be sorry to see he "walked three miles and paid able to put it up ready to move into in perhaps less her go. than a day. This type of dwelling is already being built by thousands for workers in war industries. Most at the Naval Drill Hall last night. of them are put together with wall, floor and ceiling My last contact with basketball panels of laminated plastic. Such factory-built homes was when I played a mean same are movable and can follow their owners. Thus the serge bloomers, middy and black problem of home ownership may be minimized; stockings. And at that we girls when a workman will need to move to another job, felt slightly undressed and imhe will be able to take his homee with him and so avoid suffering financial loss through a forced sale. | nowadays but I certainly yelled

"Hitler Blames his Generals for Recent Reverses."-Headline. This is just another indication that Hitler is crazy in the head. If he had any intelligence, he'd blame the Allied generals.

ACTIVITIES OF Y.M.C.A. AND Y.W.C.A.

By DOROTHY GARBUTT

It being such a perfect afternoon yesterday I thought up a grand excuse to be out for most of it. I had some Y.W.C.A. Leave better than to deliver them person to the C.W.A.C. barracks the W.R.C.N.S. barracks which are side by side and to time to say good-bye to Lieut. shortly for the East. She came

was a great Corinthian player and was capped for England in luncheon voiced the opinion that the match to follow would be the last Holland and Belgium would have to play on British soil. modest. I don't know much about the game as it is played enough although I lost track of In the Matter of the "Administrawhich side I was rooting for. At In the Matter of the Estate of Knut one stage of the game a banner interfered with the ball making the basket and so a very noble youth literally scaled the walls, tripped lightly across the beams streamer. This human fly was A thur Brookman. Citizens and their indebtedness friends, are there no medals for the said Estate are required to file heroes like these?

We had a visit today from Burrell Stevens one of our "Y" men stationed at Terrace. This was DATED at Prince Rupert, B.C., this Burrell's first sight of the blue Pacific and his first taste of our marvellous Prince Rupert weather. He was quite surprised because he had already heard it Re: Certificate of Title No. 27837-1 rained a lot here. Just a rumor we told him, and moreover we had the day to prove it.
