SPORTS

Tourney Finished—RANGERS WIN IN SOFTBALL

Rangers defeated Coast Regiment 4-1 last night on Acropolis Hill to win the Prince Rupert military softball tournament. The fixture was the second of the final round.

Maynard was again on the mound for the winners and he chalked up his fourth triumph of the series by holding the opposition to only one hit.

Hertzman pitched for the Coast Regiment and also turned in a good performance.

The softball season is not yet completed, however, since there will be an exhibition tilt staged at the opening of Algoma Park Sunday.

Constipation gone...this easy way

"I'm delighted I found out about ALL-BRAN for it ended my constipation woes. It rid me of taking nasty harsh purgatives — which never helped more than a day or so. Now, thank goodness, I'm an ALL-BRAN regular, I wouldn't miss eating this gentle-acting cereal for worlds."

If you suffer from constipation due to lack of "bulk" in the diet, eat KELLOGG'S ALL-BRAN — as a cereal or in several muffins every day — and drink plenty of water. Remember, it's a delicious, wholesome cereal — not a medicine. Get ALL-BRAN today, at your grocer's. 2 handy sizes. Made by Kellogg's in London, Canada.

FOOTBALL RESUMING

Resumption of activity in the Prince Rupert Area Soccer League is expected next Tuesday after a lull of several weeks. Teams from the Navy, Signals and Reserves will compete in a play-off series.

In July the Signals won the Dominion Day Cup and Navy gained the Gilhuly Cup for the second successive season. The Mobley Cup and the Stuart Shield were captured by Air Force last season but this year the Flyers will not be able to form a team to defend these awards.

League Secretary Sid Woodside, who referees all the games, was troubled with arthritis for some time but it is hoped that he will be able to take up his duties again.

This soccer series will fill the gap between the softball and basketball season and should be most welcome to sport fans.

Cross and Cole Are Winners in Shuttle Play

P. O. Writer Cross and Ldg. Proj. Cole won a badminton tournament of six twosomes when they defeated Lt.-Cmdr. Astbury and Lt. Haddon in the finals last night in the Naval Drill Hall. The two final games resulted in identical scores, 15-5.

The losers had received a bye to the finals while Cross and Cole defeated Cpl. Law and OD. Boam in the semi-final 21-6.

In the first round Cpl. Law and OD. Boam downed Ldg. Sig. Register and Lt. Brown 21-8; Lt.-Cmdr. Astbury and Lt. Haddon overcame Chiefs Fanning and Stewart 21-19, and P.O. Writer Cross and Ldg. Proj. Cole defeated Paymaster Sub.-Lt. Hansen and Sub.-Lt. Hobbs, 21-7.

The tourney was the Navy's second of the season.

SEA CADETS EXPANDING

Just as the Royal Canadian Navy has undergone great expansion, so the Prince Rupert Sea Cadets' members have been considerably increased since their inception.

The Sea Cadet Corps started with only 20 ratings but this group has since been enlarged eight-fold to 160 under the guidance of Lt. Cmdr. A. S. Mitchell, officer commanding.

A glowing example of the Sea Cadets' enterprise is their bugle band. When funds were needed to equip this organization early in the war, a tag day was held and the proceeds amounted to \$900. Of course, all the Sea Cadets' tag days have not been as successful as that one but the unit is firmly establishing a fine reputation in this area.

SERVICE CENTRE PROVES POPULAR

All day Sunday visitors milled through the new United Services Organization recreational centre, the occasion being an "open house" for public inspection. Frank Finnerty, supervisor, and Eva LaPierre, the hostess, had a busy day and were given yeoman assistance by young women in the service of the United States government who acted as hostesses to assist in showing the visitors around.

In its first week the resort is already proving its popularity with the men and women of all services — both American and Canadian. The first dance was held Tuesday night and drew a crowd which taxed the place to capacity. On Saturday another dance will be held. Music for the Tuesday night dances is by a civilian orchestra under direction of Jacques Antoine and for the Saturday night dances by United States Army dance bands led by Sgt. Al Manning and Dave Dysart.

A Sunday afternoon function at the new U.S.O. club will be a tea for servicemen and their wives. Actually, the "tea" will be a luncheon to ease the social

RED CROSS CARRIES ON

Workers Needed for Hospital Supplies and Children's Clothing

The Red Cross executive resumed regular monthly meetings on Tuesday night and reports from various committees showed that all branches of the work had been carried on during the holiday season. Mrs. J. D. Fraser occupied the chair.

Mrs. Winslow, for the work room, stated there was still an urgent demand for hospital supplies and children's clothing. The branch is requesting all former workers to again attend at the work room and to bring as many new workers as possible.

President Arnold Platen and Secretary H. A. Breen were delegated to attend the organization meeting of the "Welcome Home" committee to meet returning servicemen and their dependents.

A Red Cross tea and sale of home cooking is to be held in the workroom as soon as arrangements can be made, with Mrs. C. H. Elkins as convenor. The resignation of J. R. Blackburn as branch treasurer was

accepted with regret. Receipt of cash donations from Mrs. A. H. Perkins and Mrs. Emma Davis of Port Essington was acknowledged with thanks. Letters of thanks were received from the Nursing Sister in charge of the Prince Rupert Military Hospital for Red Cross supplies and from Archie Kerr of Montreal acknowledging receipt of a Red Cross message from Shanghai.

SCARCE ELEMENT

The maximum proportion of radium in the very old minerals of the earth's crust is believed to be about three-tenths of a gram per ton.

SUPERSENSITIVE ORGAN

The human eye is said to be 200,000 times more sensitive to dim light than the thermopile, the most sensitive physical instrument devised.
