IN THE SUPREME COURT OF BRITISH COLUMBIA IN PROBATE IN THE MATTER OF THE "ADMINISTRATION ACT" AND IN THE MATTER OF THE ESTATE OF JACK P. BENNETT, OTHERWISE KNOWN AS JACK BENNETT, DECEASED

TAKE NOTICE that by order of His Honour Judge Fisher, Local Judge of the Supreme Court of British Columbia, I was on the 10th day of January, A. D. 1944, appointed Administrator of the Estate of Jack P. Bennett, otherwise known as Jack Bennett, formerly of Prince Rupert, British Columbia, deceased, who died on or about the 2nd day of December, A. D. 1943. All persons indebted to the said Estate are required to pay the amount of their indebtedness to me forthwith and all persons having claims against the said Estate are required to file them with me properly verified on or before the 15th day of February, A. D. 1944, failing which distribution will be made having regard only to such claims of which I shall have been notified.

Dated at Prince Rupert, B. C. this 10th day of January, 1944.

ACTIONFUL WAR FILM

"China" With Alan Ladd and Loretta Young, Coming to Capitol Theatre.

"China," an exciting picture of love and war, starring tough-guy Alan Ladd and lovely Loretta Young, is coming to the Capitol Theatre here for a three day showing this Thursday, Friday and Saturday. Smashing impact and stark drama are said to feature the picture.

Set in Shanghai in the days just before the fateful December 7, 1941, the film introduces Ladd as an oil man who has no compunction on about selling to the Japanese. His pal is William Bendix. Miss Young is an American teacher in a Chinese university.

While the teacher and a group of Chinese students flee ahead of the advancing Japanese forces, Ladd and Bendix, with the only available truck, are trying to make their way to Shanghai to close a deal with the purchasing agents for the Japanese invaders. The situation is one that is replete with dramatic incidents of which the most are said to have been made.

Exciting scenes in the picture show Japanese bombs crashing down on villages, seeing civilians and soldiers in battle, all of which have been reproduced under expert direction.

Hill Sixty Chapter Is Very Active

One of the largest attended meetings of the season was held by Hill 60 Chapter, Imperial Order, Daughters of the Empire, at the home of Mrs. D. Orchard McLeod, Leeds Apts. Mrs. J. A. Frew, regent, presided. Nomination of officers for 1944 took place.

Financial assistance was given to the ex-service welfare association in England and a sum of money forwarded to cover cost of material used in making garments for use under Polish relief. Mrs. R. S. Greig, war convener, reported several articles of knitted apparel for armed forces and hand-sewn articles for bombed-out victims had been made by members and would be shipped in due course.

Fifty dollars donation to H.M. C.S. Prince Rupert, the I.O.D.E. newly adopted frigate, was reported at the meeting. This amount was given in the form of a Christmas gift, used for purchasing of gramophone records and guitar.

Mr. and Mrs. A. L. Ford arrived in the city this morning from Vancouver. Mr. Ford is with the Canadian National Telegraphs and was formerly located here.

"Here are 8 Ways to help make your ELECTRIC WASHER last longer!"
 Says REDDY KILOWATT

Under government restrictions, your Electric washer has become extremely valuable property, demanding the best care available. Electric washers help to improve health and conserve strength, time and money.

1. Immediately after washing—drain tub and rinse thoroughly. Remove agitator and also rinse.
2. Remove with soft cloth or sponge any soap curd or lint that may have remained. Hard water deposits may be removed with vinegar water on cloth.
3. Take particular care of rubber wringer rolls—wipe dry and release pressure on rolls when not in use. Make sure no grease is left on rolls.
4. Leave lid off tub until thoroughly dry, then protect washer from dirt and dust with an overall covering.
5. Never let connecting electric cord lie on floor. After using wipe dry, coil carefully on hooks provided. Tape any worn insulation temporarily until new cord is secured.
6. Follow manufacturer's lubricating instructions to prevent wear.
7. Avoid running washer longer than necessary—7 to 12 minutes is usually enough.
8. Do not overload washer. It increases Electric consumption, increases wear on clothes and decreases efficiency.
