THIS AND THAT

"There was a time when I'd fire a man for that—"

FROM ARMY TO BREWERY

LONDON, (CP) — Brewers are paying soldiers on leave up to four dollars a day, plus four pints of beer, to wash and fill casks and pack and label bottles. The manpower shortage has been blamed for Britain's beer shortage and this is one way brewers are trying to overcome it.

AUSTRALIA IN VAN

Australia was the first nation to make relations between capital and labor a matter for special courts of arbitration.

MIGHTY ERUPTION

The loudest noise the world has ever heard is believed to have been the eruption of the volcano Krakatoa in 1883, heard 3,000 miles away.

Here and There

LOOKING AFTER BABY

LONDON, (CP)—Shortage of rubber teats for babies bottles, a major complaint of British mothers, is ended. Hugh Dalton, Board of Trade president, said recent production is double that of July and August.

ONE IN A MILLION

KILGARRETT, Northern Ireland, (CP)—John Hetherington who has died at the age of 103 had plenty of patience. He went courting to Teemore only once a year for 20 years until the girl became his wife. She died 10 years ago.

CO-OPERATIVE FISHING

COLOMBO, (CP)—With a view to bringing together all co-operative fishing societies in Ceylon and thus ensuring an equitable distribution of fish a co-operative fishing federation is being established. If the societies supply the fish and market it through the federation all profit will go to the producers.

X-RAY FOR ORCHIDS

SYDNEY, Australia (CP)—A Sydnew radiologist grows orchids for a hobby and x-rays them to find out when they will flower. "I can tell up to nine months ahead when my orchids will flower and how many blooms they will have," he said.

BOMBS BRING BOOM

LLANFYLLIN, Wales (CP) — Bomb damage through Britain has brought a boom to the North Wales slate quarries which are turning out more than 1,500 tons of roofing slates daily.

Cutting Off Sub. Arrears

Due to newsprint rationing and the requirements of our circulation audit, together with greatly increased demand, it has become necessary for the Daily News to eliminate from its delivery lists subscribers who have fallen into arrears on their subscription accounts. We must be in a position to insure uninterrupted delivery of those who keep their accounts paid up to date and, to do this we cannot continue deliveries to those who do not keep paid up. ACROPOLIS HILL 'OVER TOP' PARTY

Fifteen Hundred People Celebrate Culmination of War Bond Drive

"Over The Top," the much-heralded War Bond dance-party, took place last night with more than 1300 service men and civilian guests filling the Acropolis Hill Recreation Hall to near capacity. Bingo, free refreshments, contests and colorful decorations were outstanding attractions at the affair which featured the music of Sgt. John Stroessler and the "Sophisticates."

The Recreation Hall was decorated in red, white and blue motif, with War Bond advertisements serving as the main theme. The entire balcony of the building was devoted to a "Bingo for Bonds" concession operated by Frank Finnerty and Pete Wambach, of the U.S.O. The sounding of a loud siren every time a prize was won added a novel touch to the fun. Sandwiches and coffee were served to all those participating in the bingo games.

Col. J. H. Mellom, commanding the sub-port of embarkation, served as chairman of the awards committee which judged the cake contest, another "Over The Top" highlight. Every organization on Acropolis Hill provided a large cake, decorated with a War Bond slogan, which was entered in the contest and served with soft drinks as refreshments. Major J. Norton and WAC Lt. Ruth Talcott were co-members of the committee which awarded prizes to every man on the K.P. staff of the companies winning the contest.

RESPITE FOR BRITONS

LONDON, (CP)—Christmas coming on a Monday means Londoners will have their longest official holiday since this war started. The Labor Ministry plans to give workers four workless days from December 23 to Boxing Day December 26 inclusive.

FOR BETTER TEA

HOLD INQUEST INTO DEATH OF GEORGE ROSS

Sheriff M. M. Stephens empanelled a jury which viewed the body of George Ross, elderly watchman who was killed when struck by a car on Second Avenue Wednesday night, at 10 o'clock Friday morning and later retired to the court house to hear evidence. Evidence of identification was given and the hearing adjourned until next Thursday. Jurors are Robert McKay, Angus McDonald, John S. Patrick, Cleve E. Keefer, Robert H. Thompson, and T. H. Sorenson.

Military authorities announced yesterday that investigation into the accident is continuing. Pending result of the inquest starting Friday by British Columbia authorities, the alleged driver is being detained by the military. If the inquest indicates action should be instituted against any person or persons, the Canadian authorities have every opportunity of taking whatever action they deem necessary, a military statement said, continuing that "this arrangement is the result of an agreement between the Governments of the United States of America and the Dominion of Canada reached earlier in the year. The people of the United States have full faith in the Canadian courts and are entirely willing that the criminal jurisdiction over American civilians in cases of this nature should rest with the Canadian authorities if they elect to take action. If the Canadian authorities decline to exercise their prerogative as outlined in the agreement between the two Governments, any action deemed nessesary will be taken by the United States officials." T. W. Brown, local barrister, is the legal advisor for the persons involved.

Army officials took immediate cognizance of the fatal accident which occurred Wednesday evening on Second Ave. in which the civilian employee was involved. A preliminary investigation was started directly following the accident. The details at this time are not clear enough to permit enlargement, but further facts will be given as soon as they become definitely established, the military authorities said.
