ACTIVITIES OF Y.M.C.A. and Y.W.C.A.

(By DOROTHY GARBUTT)

This Thursday afternoon the Service Wives' Club will meet at the home of Mrs. Billinger, 1037 Ninth Avenue East. To get there you take a Seal Cove bus and get off at the Ridley Home and walk up Conrad Street which is directly past the Ridley Home. I very much hope that we will be open in time to have the following meeting at the 'Y'. But I will keep you advised through this column.

At the Eleventh Avenue Camp dance Thursday evening chaperones will be ladies representing the Queen Mary Chapter I.C.D.E. Next week there will be two unit dances. On Tuesday one of the R.C.A units are holding a dance and Friday the Highway Camp is holding one.

As a wind up to their play acting activities the members of the Army Show held a party at the Empress Y after the final performance Monday evening. Colonel S. D. Johnstone, Acting Commandant, attended together with Major Gilman and Lieutenant George Noel. The Monday night old time dance closed half an hour earlier in order to give the army boys and girls more time for the party.

Tonight there will be another popular exhibition basketball game at the Naval Drill Hall when the Bo-Me-Hi girls will play against a team composed of members of the rest of the league. Later the U.S. Army Yanks will play against Area Canadian All-Stars. The proceeds for these games will go towards the Royal Canadian Naval Benevolent Fund. These contests are among the best drawing cards in Rupert.

Two more of our Junior Hostesses are joining the Canadian Women's Army Corps. They are Betty Bracewell and Jean Kelday and I think by this time they are on their way south to join their units. Good luck, girls.

PHIL PALMER COMING HERE

Will Meet Chito Hernandez—Fought With Broken Hand at Seattle.

Phil Palmer, Vancouver's Canadian welterweight champ who is coming here at the end of the month to headline a boilermakers' fight card against Chito Hernandez of Hollywood, fought Richie (Kid) Polite in Bremerton, Washington, last week with a broken hand and lost by only a narrow decision, according to "Ham" Antonelli, his manager, in a letter to the sports editor of the Daily News.

The tough little Palmer put up a fight which was described by the Bremerton Sun's sports writer as "the most rugged battle ever staged here."

The crowd "booed" the decision favoring Polite. None of them knew that Palmer had fought with a broken hand.

Palmer has a return match coming up with Polite and, if he wins, he has offers to fight in Portland and Hollywood.

The Boilermakers' Athletic club is bringing Palmer north to take part in the first boxing show in this city in several years and to oppose him they have brought out Chito Hernandez, a Hollywood welterweight, now in the United States Army.

Hernandez has spent his time in the western and middle western states and has fought the leading men in his class.

With such a pair coming over the horizon things should pick up around the old town as far as the cauliflower industry is concerned.

DECORATE INDIAN AIRMEN

LONDON, (CP)—Sqdn. Ldr. Mehar Singh, 29, has been awarded the D.S.O., the first Indian Air Force officer to receive the award. He commands an all-Indian squadron which has been operating in Arakan.

Army Show Successful

The Army Show "Cinderella" played to capacity audiences at the naval drill hall Saturday and Monday nights and the performance on those evenings, as well as on Sunday when the showing was exclusively for service people, was much improved over opening night, Friday. The show proved a financial success, too, it has been announced.

After the final performance, the cast and everyone connected with the show held a most enjoyable party in the Empress Hall where the feature was the presentation by Major Gilman of a gift to S. R. Carson and J. A. Findlay in token of the appreciation of the members of the show. A supper was served and dancing was enjoyed.

Pay Telephones Are Installed

Three pay telephones are shortly to be installed in Prince Rupert, the instruments being now on order, it was disclosed at the meeting of the city council Monday night. Ald. James Black suggested that one should be installed at the Canadian National Railways station for the convenience of the travelling public, it being agreed to recommend this to the utilities committee.

REMEMBER this Old Chum Calendar and the year *1929*?

In that year Major H. O. D. Seagrave drove his "Golden Arrow" at 231.5 miles an hour at Daytona Beach, Florida.

Squadron Leader Orlebar flew a seaplane at 355 miles an hour to win the Schneider Cup.

It was in 1929, too, that "talkies" appeared. People said they were just a stunt, wouldn't work.

Commander Richard E. Byrd, with Bert Balchen as pilot, flew over the South Pole.

The Ambassador Bridge between Windsor and Detroit was opened in 1929.

On November 18th, the Atlantic coast from New York to Newfoundland was shaken by an earthquake.
