We all know Enemy No. 1. His defeat is our first concern. Enemy No. 2 is the octopus of financial and industrial monopoly.

THIS OCTOPUS DECIDES -

- whether or not you have a job

- the price for your farm products - whether or not we'll have another depression

THE C C F SAYS: This economic dictat viship must stop.

THE C C F SAYS: Credit and financial institutions must be the servants of the people, not their masters. ...

THE C C F SAYS: Canada's resources must be used to prevent depressions . . . to provide homes . . . jobs . . security . . . educational opportunities . . . independence and usefulness for every citizen.

The whole purpose of the C C F program for public ownership of banks and other monopolies, is to achieve these things.

ABUSE IS NO ANSWER!

Yet this is the only weapon the spokesmen of monoply have left. Hence their scaremongering about the CCF interfering with your savings . insurance... home ... farm.

They know, as you know, that their charges are false . . . that through the C C F program your home and farm will be more secure . . . your savings and insurance will be intact and guaranteed by the wealth of the entire nation.

CCF AIMS ARE YOUR AIMS Security and Abundance For Every Canadian!

The C C F is YOUR movement. It does not get and DOES NOT WANT the support of the big corporations. It needs YOUR support NOW. Write and send your contribution to your C C F Provincial Headquarters-

712 Holden Building Vancouver, B.C.

This is the third in a series by the Co-operative Commonwealth Federation, 56 Sparks St., Ottawa.

expect out of a can of Paint?

First of all you expect colour, fast colour. Then you expect a paint that is smooth, goes on easily. Then you expect coverage and hiding capacity. Most of all you expect wear, something that will stand up against hard use if inside, and if outside, to resist sun, wind and all kinds of weather.

When you buy a Sherwin-Williams Paint, Varnish or Enamel you get all these things. You get what you pay for. You get products of quality that will serve you well, paint products that are worth every penny that you pay!

Look for the store that displays the famous "cover the earth" trade mark. There you will find a merchant who knows paint and who will furnish you with the best product for your purpose -paints that will give you real satisfaction. And he will be glad to lend you the beautiful Style Guide, a large volume filled with many full-colour suggestions for decorating inside and out.
