## GIVES IT SO RICHLY

With less meat today, wise women are happy to know that by serving Quaker Oats for breakfast, they can give their hard-working family a rich source of meat's main element-protein. No other natural cereal is so rich in this vital factor for energy and growth as whole-grain patmeal. And it is richest of all natural cereals in Vitamin B1 needed for sound

Three men were found guilty and fined in Prince George police court for the illegal handling and sale of meat. The charges were laid by the Wartime Prices and Trade Board.

A reward of \$50 has been posted by Sam Stevens, manager of the C.C.F. Hall, for information leading to the conviction of the person responsible for setting off an explosion which blew a hole in the floor of the Hall when a dance was in progress one night last week. A stick of dynamite was believed to have been set No one was injured.

# Bringing Home the Bacon:

Her fellow passengers didn't mind her bringing home the bacon but when it came to that armload of groceries, they had a right to kick. They knew that it would delay the bus, get them home a little later, leave people standing in the rain, and put more grey hairs in the driver's head.

Please, Folks, do not take large parcels on the bus during rush hours.
