Radio listeners from various parts of the city are complaining about a powerful roar, presumably generated by some industrial equipment, that comes in regularly a few minutes after 10 o'clock each night to interfere with the CBC news broadcast. Naturally, it is indignantly felt that something should be done about it.

Permission was granted by the city council Monday night to the Prince Rupert Chinese Patriotic Association to show a film in the Kuo Min Tang building, 840 Third Avenue, on the evenings of May 20 and 21. The film will depict the struggle of the Chinese against the Japanese and admission will be by contribution.

Needless to say, every tea consumer in Canada will welcome the increase in the TEA ration and will lose no time in resuming some of the pleasant habits he was wont to enjoy in pre-ration days. What a treat it will be for the tired housewife to have her tea again in the mid-morning or afternoon when its delicious refreshment means so much to her.

You may depend on it, to the best of our ability, every grocer in Canada will be kept supplied with a fresh stock of delicious SALADA to meet these added needs.
