directorates? TV/HEN you want sound advice you go to a friend who has had experience with whatever is worrying you. When you have to have professional advice you buy the best you can afford. In the same way, because the life insurance companies are the guardians of the people's savings, they seek the best business brains in Canada.

What's all this

Individual directors of life insurance companies often occupy similar positions in many other lines of business. This is because they are men who have proven their ability. It needs men of sound judgment and wide experience to determine safe procedure in matters vital to so many millions of people.

Life insurance is a business of many phases. It bridges a gap between your present earning power and your far distant needs-sometimes spanning over half a century.

It is essential to have life insurance companies directed by men of broad business experience.

It is good citizenship to own LIFE INSURANCE

CITY OF PRINCE RUPERT APPEAL TO CITIZENS

In view of the importance of a successful invasion of the Western Front by the Allied Armies it has been agreed to implore Divine aid for the undertaking by joining together in a public service of prayer.

I, therefore, as Mayor of this City request that all places of business be closed between the hour of 11:30 a.m. and 12 noon on the day that the invasion occurs, or if the news comes through after 10:00 a.m. or on a Sunday, then on the following day at the same hour. I also request that all citizens will make a special

effort to be present at the Service which will be held in front of the Post Office, or, if raining, in the Capitol Theatre. The Service will be announced by the ringing of bells

and the sounding of whistles at 11 a.m.
