Yes, the new EATON Catalogue for Spring and Summer, 1944, is rolling off the presses and will soon be in the mails on it's way to you.

We think you will be surprised and pleased with the variety of goods displayed for every member of the family, as well as the farm and home.

Many of the more popular lines you have come to know are still missing (war-time casualties), but where possible substitutes have been found that should give you nearly as much satisfaction.

Hold your Spring Shopping Plans until you receive this new Catalogue. You will find it worth your while.
