This morning in police court

When Adeline Bevan, a naa drunken state on the street early this morning, pleaded guilty to an intoxication charge today she said that an American soldier had given her the liquor at a dance.

Ella Morrison, another native woman, who also pleaded guilty Local Junior Chamber Favors to a similar charge, said that Idea of Vancouver Town she got her liquor from a Canadian soldier.

Both women were fined \$25 The Junior Section of the or seven days by Magistrate

YOU CAN'T GET A GOOD FARMER DOWN-The Germans don't give him any gasoline to run his farm machinery, so this farmer in Holland has rigged his tractor to run on gas generated from wood. The gadget in the back is where the wood is burned. Gas is brought to the reservoir in front through the pipe that connects front and rear. Note, too, the wooden treads on the tractor tracks.
