WAR NEWS

STRIVING FOR RESCUE

Thousands more Allied airborne troops have been landed in Holland to reinforce the British Second Army which is four miles from the lost airborne army, relief of which is being attempted. No junction has yet been made although patrols are said to have contacted. Supply lines of the Second Army which had been severed by the hard-fighting Germans have been restored.

CANUCKS TAKE GRIZ NEZ

Canadians are reported to have captured Cap Griz Nez, half way between Boulogne and Calais on the Channel coast.

THOUSANDS OF NAZIS DROWN

Sweeping fifty miles across Estonia in a single day, the Russians have captured Parnu, important Gulf of Finland embarkation point. Thousands of German soldiers, being evacuated by sea, are believed to have been drowned when Russian planes sank eleven Nazi transports. The Red Army has crossed into CzechSlovakia and Hungary.

WIDESPREAD AIR ATTACKS

Wide-ranging Allied planes have struck at thirteen Japanese bases in the South Pacific from the Philippines to Bougainville including Borneo.

NORWEGIAN HOSTAGES

Norwegian political prisoners, according to Stockholm reports, are bing removed from Norway to Germany to be held by the Nazis as hostages.

IS FIGHTINGEST MAN

Brigadier R. A. Wyman of Edmonton, who is believed to war. have seen more fighting than any other Canadian soldier, is returning to Canada. He served with the armored corps in Italy and France, including Ortona and Caen, and is badly wounded.

JAPS OUTFLANKING KWEILIN

Danger that the Japanese armies might be outflanking Kweilin in northern Kwangsi was indicated in an announcement that the enemy were striking south from Chuansien on the Hunan-Kwangsi railway northeast of Kweilin. It is believed the invaders plan to swing southwestward from Kwanyang to cut the railway south of Kweilin.

CANADIAN DRIVE NORTH

First Canadian Army forces have won a bridgehead over the Antwerp-Turnhout Canal at a point seven miles from the Dutch-Belgian frontier and about five miles northeast of Antwerp and thrust a threatening wedge beaund Germans retreating from Meuse-Schelde Canal toward the Antwerp-Turnhout Line. A dispatch from the front said British troops had entered Turnhout, which is the largest Belgian city still in German hands.

FALL OF WARSAW SEEN

Berlin is beginning to pave the way for admission of the loss of Warsaw, capital of Poland, to the Russians. A German broadcast today said that "Warsaw has been blotted from the face of the earth."

REVOLT AGAINST HITLER

More German generals are urging the German army to revolt against Adolf Hitler. They claim that twenty divisions of Nazis were lost in Rumania.

MORE BUZZ BOMBS

More rocket bombs fell in the London area last night. A Roman Catholic boys' school was badly smashed up, two priests, a nun and seven students being injured. It is estimated that 900,000 homes have been destroyed by rocket bombs.

Soviet Troops Also Enter CzechoSlavakia; Hungary In Big Pincer Movement

MOSCOW, Sept. 25 (CP)—The Russians are converging on the Latvian capital city of Riga today in a climax to their successful Baltic offensive. Front line dispatches tell of a battle on the Lithuanian frontier of East Prussia, heralding a possible large scale drive into the Junker province. The mop-up of Estonia is nearly complete.

A Moscow broadcast said that Shipbuildingtroops crossing from southern Poland through Lupkow Pass into CzechoSlovakia captured Humenne, twenty-five miles inside CzechoSlovakia.

that Russian and Rumanian troops crossed the southewestern Hungarian frontier Hungarian frontier.

The double push into Czecho-Slovakia and Rumania is developing into a big pincers movement designed to knock weakening Hungary out of the

MODERN CEMETERY PETWORTH, Eng., (P)- This over the whole area.

Point in Memorandum Cleared Up For Chamber of Commerce

The Prince Rupert Dry Dock and Shipyard is not considered as a "government controlled yard" for which the Canadian Shipbuilding and Ship Repairing Association is proposing curtailment of vessel orders by the government with a view to liquidation of these shipyards as soon as the war emergency permits. pert, after due deliberation, and Commerce has been so advised

The Prince Rupert Chamber of la lafter having sought clarification an early and victorious con- on the point brought up hi a 19cent brief of the Association containing a number of recommendations in regard to post-war The Canadian Shipbuilding

and Ship Repairing Association advised the Chamber that, so far as the Association is concerned, the local shipyard is not considborne by the people of Britain, ered a government-controlled yard. "When we refer to government controlled yards," writes Angus McGugan of Ottawa, secretary-treasurer of the Association, "we mean shipbuilding yards which have been constructed during the war emergency for the assembling of hulls and installation of machinery such as United Shipyards in Montreal and Toronto Shipbuilding Company in Toronto. From "our 'Brief for Shipbuilding' you will notice the names of eighteen yards comprising the members of the Association and will note that Prince Rupert is one of our

> member companies." Bernard Allen, manager of the local yard, writes as follows: The Prince Rupert Dry Dock and Shipyard is not in any way a government-controlled yard being, as you are probably aware, operated by the Canadian Na. tional Railways as a subsidiary of that organization. I am satisfied, therefore, that it was not the intention of the Canadian Shipbuilding and Ship Repairing Association that the Prince Rupert Dry Dock and Shipyard be considered as a governmentcontrolled yard when preparing the brief presented to the gov-
