

### "IET'S GO" Farming calls all STUDENTS

ARM labour is definitely scarce.

- ... Students can fill the gaps made by war in the ranks of those needed on the land.
- ... Boys 15 and up and girls 16 and up are urgently needed for farms this summer.
- ... This is the chance for boys and girls to answer a real patriotic appeal.

... Don't say "no"!

Here is how you go about it: ACT NOW!
