## Sisters of St. Joseph 'At Home'

St. Joseph's Academy was the scene of a very successful tea Thursday afternoon when the Sisters of St. Joseph were at home to a large number of ladies, who called between the hours of three and five. Sister Superior and Mrs. J. Gillis, president of the Catholic Women's League, received the guests. The Sisters personally conducted the guests throughout the spacious immaculate dormitories and bright cheery study rooms of the three floors of the convent.

During the afternoon delicious refreshments were served. Mrs. Garon, Mrs. J. Murray and Mrs. L. Dohren were in charge of refreshments. Mrs. MacLaren and Mrs. Fitzpatrick poured at a daintily-appointed tea table. Servitors were Mrs. J. Gibson, Mrs. H. F. Glassey and Mrs. Charles Balagno. Mrs. Young acted as registrar. The afternoon concluded with Benediction by Rev. Father Lantagne in the beautiful chapel of the Academy.

E. T. Kenney, M.L.A., arrived in the city this morning from Victoria, enroute back to Terrace after having gone south for the funeral of his father.

## is for Calcium

**CALCIUM** builds the bones and teeth. Babies and growing children need lots of it. One of the best ways to get it is in Irradiated Carnation Milk. Carnation Milk is not only rich in calcium—it also has an extra amount of "sunshine" vitamin D which helps the calcium do a first-class job. And Carnation supplies all the other essential milk nutrients. For baby's bottle, consult your doctor for a Carnation Milk formula. Carnation is grand for cooking, for drinking, and for creaming coffee and cereals. Write for free book "Your Contented Baby", Carnation Co. Limited, 470 Granville St., Vancouver.
