"In Short Supply"

Men's Hosiery

- defence work, production at the mills curtailed.
- Government orders naturally have priority over domestic needs, thus reducing materially the supplies available for civilian use.
- In order to make most efficient use of available manpower, lines have been simplified as much as possible, chiefly by reducing the range of patterns and shades.
- These are the reasons why you are unable to obtain either the quantity or choice in Men's Hosiery to which you were accustomed.
- You may be assured that, just as soon as conditions are more nearly normal, you will again find a complete stock to choose from at
