Higher Teachers' Salaries . . .

The teaching profession has long been seeking a ing White and Havestock, 21 to year. better deal in the way of salaries for its members in the rural areas, advocating that their remuneration | • should be more commensurate with the importance of the calling. There will, therefore, be gratification over the announcement in the legislature by the Minister of Education, Hon. H. G. T. Perry, that a very definite move is being made in this direction.

The extension of the free text book plan and the increase of school grants to districts are other acceptable features of the minister's enunciation of the government's more generous policy on education.

· "One war that will never be won by either side is the continual war between the sexes," declares a columnist. That's true, mainly because there is so much fraternizing with the enemy on the part of both sides.

Donation From Los Angeles To Ambulance Fund

Mrs. Vernon D. Casley, who was a resident of Prince Rupert in the early days but has been living for many years in Los Angeles where she has kept in touch with Prince Rupert through continuously receiving the Daily News, has sent a donation of \$25 for the local ambulance fund. Her check has been delivered to the ambulance committee through the medium of the local Bank of Commerce and the Daily News.
