Three impressive tableaux fitted into the play in a very effective manner. Fifteen characters made up the tableaux and the cast in the play comprised nine Icharacters, supported by a welltrained choir under the leadership of Clarence Reimer, with . C. Gilker at the organ. The leading roles in the drama were taken by S. Calder as Franz Gruber and Miss G. Silverthorn as Frau Gruber, Rev. W. W. Silverthorn made the announcements.

Wren Daisy Hendrickson Becomes Bride of A.B. Jack Barrington-Boam

A naval wedding of widespread interest took place in St. Paul's Lutheran Church at Prince Rupert when Wren Daisy Hendrickson, daughter of Mr. and Mrs. Henry Hendrickson of Fort William, Ontario, was united in marriage to Able Seaman Jack Barrington-Boam of Victoria. Both the bride and groom are attached to H.M.C.S. Chatham, the naval base at Prince Rupert.

The bride, who is the second Wren to be married from this port, were a frock of pale blue sheer with pink hat and shower bouquet of pink roses. She was given in marriage by Lieut. Ernest Ray of Vancouver, First Lieutenant on a west coast patrol ship. Her attendant was Miss Ina Montgomery of Prince Rupert who wore a light wool gown of cream and carried red roses.

The groomsman was Ordinary Seaman Ray Kay of Hamilton, Ont., and the wedding ceremony was performed by the Naval padre, Rev. J. W. Goos. The church was filled with Wrens, ratings and officers of the base. After a quiet dinner which included only the wedding party, the bride and groom left for a honeymoon trip to Fort William and will return here to reside.

same period last year there were 358 strikes involving 165,866 workers with a loss of 885,282 man-working days.

Recent labor department figures placed the membership in | Canadian labor organizations at 664,535 at December 31, 1943, which represents an increase of 85 percent compared with 1939. During 1944 there have been further increases and it now is unofficially estimated that close to 750,000 Canadian workers belong

- EMPTY -BOTTLES BEER

THE quantity of bottled beer which can be made available to the public is directly affected by the number of empty beer bottles which are returned by the consumer. A definite shortage of empty beer bottles now exists. You can help to alleviate this condition and ensure the future supply of bottled beer by returning your empty beer bottles promptly.
