THE GROCER'S APPEAL

"Don't be a plunker," the grocer urged
To the women who do the buying.
"If you don't know the dates in your ration book,
Your conduct to me is trying.
Remember I'm dealing with hundreds a day
So find out what's due, there's a dearie,
And don't expect me to do all of the job
When I'm woefully worried and weary.

"Don't plunk down your books on my counter and say:
'Is it now that I get my butter?'
Just find out yourself and save my poor heart
From a frightfully flittery flutter.
Your coffee, preserves and your sugar and tea
You should ask for when they become valid
And then you won't leave me a wreck of a man—
Perspiring, pernicketty, pallid."

ROMFORD, Eng., (CP)—Charles Kimblin, 20, bit a policeman. He was bound over for six months on the promise that he wouldn't lose his temper and bite anyone else.

"Threw away my harsh laxatives"

"Out they went, all harsh embarrassing purgatives. For *my* constipation turned out to be due to lack of "bulk" in the diet. So gentle ALL-BRAN proved the answer for me."

Yes, ALL-BRAN is for *you*, if your trouble is due to lack of "bulk" in the diet. Here's what you do. Eat KELLOGG'S ALL-BRAN regularly, and drink plenty of water. This pleasant cereal helps to produce smooth-working "bulk," and prepare wastes for easy elimination. You'll want this regularity, so you'll enjoy eating ALL-BRAN daily. Remember it's a cereal—not a medicine. At your grocer's. 2 handy sizes. Made by Kellogg's in London.

APPRECIATE RED CROSS

Congratulations of Provincial President— Need for Workers as Great as Ever

At a local Red Cross executive meeting on Tuesday evening a letter was read from the provincial president, Hon. E. W. Hamber, congratulating the Prince Rupert branch and district on the splendid results of the recent Red Cross financial campaign. Since the tabulated results were published in April a further $1300 has been received, bringing the grand total to nearly $25,000.

A complete booklet on Red Cross prepared by the Vancouber branch has been received and some interesting data is furnished relating to work-rooms, prisoners-of-war, international enquiry service, blood donors, Junior Red Cross and many other activities. Between January 1, 1941, and October 31, 1943, Canadian Red Cross has packed 7,000,000 prisoner - of - war food parcels.

In 1943 there were 417,865 donations of blood in Red Cross clinics in Canada.

For all purposes Junior Red Cross has raised in four years one and a half million dollars.

Canadian Red Cross has given the Soviet Union supplies valued at two million dollars and large donations have been made to Greece, China and other countries.

Mrs. R. M. Winslow stated that she had recently interviewed the provincial workroom convenor and, in spite of the consistently good work of all branches during the past four and a half years, there is still as great a demand as ever for work to be done in the workrooms and in the homes

The secretary reported receipt of a booklet advising that postal restrictions on mail to the Far East had been amanded.
