Howard Smith Announces New Plant to be Built This Year to Utilize "Waste"

MONTREAL, May 4-A development that holds promise of ar-reaching importance to the luture of the pulp and paper industry-the manufacture of new plastic products from pulp liquo: that previously has gone to waste -is indicated in the recent announcement of Howard Smith Paper Mills that a plant is to be built this year to make lignin

This is the first time that Howard Smith, a leading manufacturer of pulp and white papers, has ventured into the plastic field. The development has been the result of substantial expenditures during the war in scien-SEATTLE, May 4 @-Mrs. Iza tific research in this direction. Richardson, state W.C.T.U. vice-

In some quarters it is being predicte, that as result of advances made in plastics research in Canada during the war, manufacture of plastics materials will become a major industry of the country in future years. with the pulp and paper industry in a leading role.
