Year in and year out, we've studied his every last need and requirement -and because we have made his health, his comfort and his appearance our business, EATON'S Catalogue has been the favorite place to shop for Babies Needs.

Whether it's a question of what's best for his tummy-sche, what's warmest for his beddy-bye or what to wear to make him the envy of the neighbors, you'll find the answer in EATON'S Catalogue-because EATON'S "The Store for Young Canada" KNOWS BABIES-knows them-well, ALMOST as well as Mother herself.

And of course, it's so easy to buy-by-mail from EATON'S CATALOGUE -- "A STORE BETWEEN COVERS"
