IS WISE OLD BEAR HUNTER

Matt Allard of Terrace Taking Things Easy at Age of 74

TERRACE, June 23—Matt Allard, veteran hunter of the Kitsumkalum district, who has bagged no less than sixteen grizzlies and countless other predatory animals in these parts, has reached his seventy-fourth year and is now living quietly in town. He is not so active on his feet as he used to be and he says this is the first year he has not had a rifle in his hands.

Reflecting in conversation with a newspaperman, Matt remarked that, after all, one didn't have to do a great deal of walking to bag a grizzly bear. "In the spring, I have found that, if you just sit down on a slide, they'll be there. Let them do the walking," he says.

WOULD FORM GARDEN CLUB

The possibility of forming a community garden club came under discussion at a meeting of the Wartime Housing Tenant Council held this week in the community club house, Hays Cove Avenue. Included in the plans was one which would award prizes to members with the best kept gardens. Mrs. J. Z. Arnold, Tenant Council Secretary, was placed in charge of arrangements.

Several items of correspondence were read and a decision was recorded to change the meeting nights to the first and third Wednesdays of the month. The council declared itself open to receive delegations on matters of community interest.

Following the meeting a social evening was enjoyed, at which refreshments were served by Mrs. C. Milaney, and Mrs. R. Pipke. The latter part of the meeting was given to whist. Prize winners were, first, John Jerome; second, Mrs. E. Caine; consolation, Mrs. M. E. Dufour.

POWERFUL RAFT LIGHT

A midget searchlight, no longer than a walnut, yet so powerful that it will project a 1,500 candlepower beam for 60 nautical miles, is new equipment for rubber rafts.

Why Preferred Milk?

WHY is Irradiated Carnation Milk the *preferred* milk for bottle-fed babies?

It's a *soft-curd*, homogenized milk, very easy to digest. It's a safe milk—absolutely. It's a *nourishing* milk—as nourishing as milk can be . . . *extra* rich in "sunshine" vitamin D to help build strong bones and teeth.

Sturdy, straight bodies—beautiful, regular teeth—these come from right *diet*, and plenty of the right *milk*. Ask your doctor about a Carnation Milk formula for your baby. Write for free book, "Your Contented Baby". Carnation Co. Ltd., Vancouver, B.C.
