NOTE REGARDING SPECIAL ADJUSTMENT OF TAXES IN RESPECT OF THE YEAR ENDED 30th OCTOBER, 1943

The Minister of Finance has expressed the opinion that the transfers made in 1943 to Contingent Reserve Fund from the earnings of this Bank were in excess of the reasonable requirements of the Bank.

The management and the auditors of the Bank do not agree with the Minister in this matter but having been advised of the Minister's views and of his purpose to act in accordance therewith, we have estimated that approximately \$2,200,000 of such transfers must be added to income of that year for tax purposes. As a result the Bank will be called upon to pay additional taxes for the year 1943 of a like amount under the Income & Excess Profits Tax Acts. Provision has been made from Contingent Reserve Fund for this tax liability, of which twenty per cent, or \$440,000, will be refundable under the provisions of the Excess Profits Tax Act.

GEORGE W. SPINNEY, President B. C. GARDNER, General Manages

The strength of a bank is determined by its history, its policy, I its management and the extent of its resources. For 127 years the Bank of Montreal has been in the forefront of Canadian finance.
