The Reserve Army . . .

Because the imminence of enemy attack on this oriental. coast seems to have been removed and with it any The hall was decorated for the likelihood of the militia being called out for the de- occasion with flags of the prinfence of home shores from invasion is no valid rea- cipal United Nations and trison why interest and enthusiasm should not be maintained in the local reserve army.

In Prince Rupert a militia unit has since the early The dinner had been prepared days been a local institution. That was the case by Jack Lamb, the principal through many years of peace. During these days of actual war why there should be a danger, as there A. Ponder and Mrs. J. R. Blakey appears to be now, of the militia dying out through acted as serviteurs. lack of interest and membership seems almost inexplicable.

All the reserve army takes is two hours each "The Reason for China's Deweek of a man's time. Surely there are few men who feats" was Mr. Mickleburgh's can sincerely say that, from the pursuit of business subject. He referred back to 1931 or pleasure, they are unable to spare those two hours when Japan, by its invasion of for the reserve. Not only is it held to be a necessary Manchuria, introduced the era part of the national defence scheme but is of per- culminated in the present war. sonal benefit through the military knowledge that China had been the first nation is to be gained and the useful exercise and diversion to take up arms against this agit affords.

It speaks poorly for the public spirit of the men The swifter and the more crushof Prince Rupert-and every man who can carry a ing the defeat of Japan, the gun is eligible to join the reserve—that they should firmer and the more lasting permit the regiment to languish because they are not interested enough to participate in its activities.

For total victory he fights a total war. For nothing less will he lay down his arms. For your sake he's willing to gamble on coming through alive. Whether he does or not is decidedly your affair . . .

The imminence of victory has climaxed the responsibilities of the home front. Canada's borrowing needs today are greater, not less. To see the uniformed services get all they need to win with minimum losses, is still our biggest job.

NOW is the hour to buy Victory Bondsone more than before!

Chinese Banquet—

ANNIVERSARY OF FOUNDING \$7.00 OF REPUBLIC

In recognition of the occasion of the thirty-third anniversary of the founding of the Chinese Republic a banquet, featuring spread of Chinese dishes, an address by Bruce Mickleburgh, program of Chinese phonograph music and a topical moving picture, was held last evening in the Labor - Progressive clubrooms. Quests at the interesting affair were both Occidental and

dishes being mushroom soup and almond chicken with rice. Mrs.

Following the dinner, H. A. Ponder welcomed the guests and

gression and her resistance had would be the ensuing peace, the speaker declared. The island hopping phase of the Pacific was had now ended, Mr. Mickleburgh said. However, to bring about the defeat of Japan, it was necessary that the Allied forces be come established on the Asiatic mainland, the bulge of South China, in order to launch blows at the Nipponese homeland. Japan itself realized this and it was ! for that reason that her large forces were concentrated there. Even if the Japanese grand fleet were completely wiped out, Jap an could be expected to continue fanatical resistance from North China. Meanwhile the spread of continued defeats of in South China made serious situation not only for hina herself by for all the Ai-

Agart from purported lack of supplies and failure of Reds to fight in the north, one of the principal reasons for China's defeats, Mr. Mickleburgh asserted, was the split between the Kummantang and Communist elements. However, there were new indications that the necessity of unity in Chinese resist-
